THAT FEED.—The Carleton Royal Arch Chapter F. and A. M. mustered in fine style at Salmon's last night. The spread was well got up, and the masonic appetite appreciative.

THE MARKET.—The market, the weather and the people were fearfully dull yesterday morning. The "lightning" made his appearance—looked disgusted, and left to take a——look at the Court House.

BACKSLIDING.—A city local, while conversing with a friend yesterday, stepped through a cellar door in one of our groceries, on Rideau street. He came near breaking his neck. Pity he didn't. It might have saved Sheriff Powell some expense.

ARRIVALS AT THE RUSSELL HOUSE.—John C Watson, Montreal; C B Cushing, do.; B D Lamb, Boston; Lieut.-Colonel Macpherson, Kingston; M K Dickinson, Manotick; C Sheely, Detroit.

ARRIVALS AT THE UNION HOUSE.—James Hubbell, Fitzroy; P W Freeman, Wilmot; J S Brown, South Gower; J Dunlop, Pembroke; D Hutcheson, Gat. Mills; Rev JA Preston, Carleton Place; R H Conroy, Aylmer; Mr. and Miss Mathers, Gatineau Mills.

THE GARRISON ARTILLERY.—We understand that the officers of this well filled battalion have completed arrangements to supply the corps with a band. Some of our wealthy citizens have contributed handsomely to the fund required. We hope some of the rest will follow suit.

CURLING CLUB.—The Ottawa Curling Club will have a meeting at their Rink on Wednesday next (to morrow), to arrange preliminaries for a match with that of Belleville, for the Caledonia medal." It is also proposed to fix a period for the game to be played here between Upper and Lower Town, the purpose of which is charitable.

BALL AT PEMBROKE.—Mr. Murray, M. P. P. for the North Riding of Renfrew, entertained some hundreds of his constituents, at the Copeland House, Pembroke, with a ball and spread, got up in Copeland's best style. Some three hundred persons flew through the hours. Mr. Murray is one of those gentlemen who do not forget their friends. Thanks to our Pembroke correspondent.

STRALING.—On the morning of New Year's day, while the inmates of a private dwelling on Murray street were amusing themselves in the upper portion of the house, an unexpected visitor entered, and purloined an album. The photographs were manifold in the book. The thief could scarcely have any object in perpetrating the plunder. He had better restore it.

THE NEW OFFICERS.—The office of the Deputy Clerk of the Crown, County Court and Surrogate Court has been temporarily established in the Baldwin block, corner of St. Paul and Nicholas streets. The Division Court office is the same building. The office of the Clerk of the Peace and County Attorney is, for the time, established in Dan Goode's house, near the St. Lawrence hotel.

POLICE COURT.—The boy Gordon O'Neil, who absconded with money collected for Mr. Miles, was brought up yesterday morning. Mr. Miles not appearing to prosecute the lad was discharged.

The Gravelle poker assault case was called yesterday morning. Cardinal failed to appear to give testimony for the prosecution. The case was adjourned till to-day, when it is probable Mr. Cardinal will be forced to tell the truth in the matter.

LECTURE AT ST. JOSEPH'S.—Sunday evening the Jesuit, Father Langcake, gave a very lengthy lecture on "Christian Sacrifice," in this popular place of worship. The introductory music was fine, and executed in the good taste for which St Joseph's has become noted. The Rev. lecturer's broad theory required a lengthy unfolding. He went beyond "Christian Sacrifice" in dealing with those in the Pentateuch. The lecture was very able, and highly instructive.

GOT SOLD.—A popular, and rather exquisite county official, had been in the habit of keeping a fresh suit of black in his office in the old gaol for city purposes—he lives in the country. After the fire on Sunday morning, he naturally was industrious in his search after the *materiel* of his office—and as naturally not in the best of humour. An *attache* of the Sheriff's office, knowing the matter of an extra suit of clothes, told him that, among other matters saved there was a complete black suit. The official, who had been spoken *at*, claimed them as his. "Well come along," said the Sheriff's officer. He was eagerly followed by the County—well we won't tell—and was shewn—the hang-man's costume used at Whelan's execution.

Last evening the following officers of the Carleton R. A., Chapter No. 16, G R C, invested by the M. Ex. Comp. T. D. Harrington, G Z:

THE HULL ELECTION.—The municipal electors of the Township of Hull had quite a lively time of it yesterday at the poll. The election is held near the toll-gate, on the Gatineau road—a lovely place for a free fight. The worthy inhabitants of Hull Village having formed a ticket of their own proposed to carry it through, and but for the timely interference of some of the "influentials," the venerable Mayor and the legal adviser of the township would have come to grief. As it was, several municipal records were taken possession of. The assessment and collection rolls were disposed of, and polling was going on in a promiscuous manner for some time. It, that is the "promiscuous," was put a stop to in about an hour after the *coup d' etat* had been accomplished. We can perceive the work of an experienced hand in this matter. The village men had formed a ticket for themselves, which they have succeeded in carrying. It is composed of the following gentlemen:—E. B. Eddy, Dr. C. Graham, Moses Bisson, Richard McConnell, Hercule Gravelle, Samuel Pink, Richard Langford.

THE MISSIONARY MEETING.—As announced, the missionary meeting at the Chapel of Ease, on Sussex street, took place. The platform was occupied by His Excellency the Governor General, who occupied the chair—Col. Irvine among the number of staff—the Lord Bishop of Ontario, Archdeacon Patton, Rev. S. Jones, Rev. E. Burke, Rev. J. S. Lauder, Rev. H. Pollard, Rev. Dr. Jones, Rev. Mr. McMorine, Rev. Dr. Strong, Hon. Mr. Tilley, and Mr. Wicksteed. The Rev. Mr. Lauder opened the meeting with prayer. The Rev. Septimus Jones spoke at length, and gave the crowded auditory some valuable statistical information touching the exertions made in the mission enterprise. The venerable Archdeacon Patton followed in an able review of missions, and a lucid explanation of their usefulness. The Rev. Mr. McMorine gave some interesting facts from his own experience as a missionary. The Lord Bishop followed in his peculiarly terse and effective style, and was succeeded by the Rev. Mr. Burke, who engaged the attention of the auditory for over half an hour in an eloquent discourse. A large collection was taken up, after which a vote of thanks was proposed by the Hon. Mr. Tilley, and seconded by the venerable Dr. Strong, to His Excellency for his spirit and condescension in presiding over the meeting. The hon. mover and the rev. seconder indulged in a few remarks, touching the subject of the motion. This called forth a few pithy sentences from the Lord Bishop. His Excellency arose and thanked the meeting. He referred to the usefulness of such assemblies. Glanced at the state of the church, the extended diocese over which the Lord Bishop of Ontario had to preside, and the exertions already visible in results, which he must have performed. His Excellency took a cursory view of the Irish Church, stated that the fact of disestablishment would bind the clergy and people more closely together. His Excellency is evidently an ardent co-adjutor of the energetic clergymen present, and exhibited a religious sentiment made impressive by a remarkably benevolent tone of voice. The grand, old music of the Church of England was well executed by the choir of the evening. A blessing was beseeched by the Lord Bishop for the assemblage, and the proceedings closed.

THE LATE FIRE.

A meeting was held at the Albion Hotel last evening. Among those present, were Wm. F. Powell, Esq., Sheriff, R. Lees, Esq., Clerk of the Peace, Z. Wilson, Esq., County Treasurer, Joseph Hinton, Esq., Reeve of Richmond, George R. Burke, Esq., George Patterson, Esq., J. J. Gemmill, Esq., W H. Falls, Deputy Sheriff, C. Billings, Esq., and a number of others.

Moved by Mr. Wilson, seconded by Mr. Lees, that Mr. Hinton take the chair, and that Mr. Falls act as Secretary.—Carried.

The Chairman stated that the object of the meeting was to tender Mr. Graham their thanks for the handsome manner in which he had assisted during the recent fire.

Moved by W. F. Powell, Esq., Sheriff, and seconded by R. Lees, Esq., Clerk of the Peace, that the thanks of the officials who had offices in the Court House building, at the time of its destruction by fire, on Sunday morning last, as well as of the public of the County, are justly due, and are hereby tendered to John Graham, Esq., of the Albion Hotel, not only for his most strenuous exertions in saving valuable property from the fire, but for the manner in which he threw open his house for the reception of what was saved, to the serious detriment of his own business, and inconvenience of his family.—Carried.

Moved by Mr. Wilson, seconded by Mr. Gemmill, that the thanks of this meeting are due and are hereby tendered to those other citizens who so nobly exerted themselves in saving property at the late fire, and also to the firemen and members of the police force.—Carried.

Moved by Mr. Burke, that Mr. Hinton leave the chair, and that Mr. Patterson take it.—Carried.

Moved by Mr. Burke, seconded by Mr. Pursell, that a vote of thanks be tendered Mr. Hinton for his able conduct in the chair.—Carried.

We may add that the conduct of Mrs. Grahame on the occasion of the fire is deserving of the greatest praise.

PROSPECTUS
OF THE
OTTAWA COURIER.

Politics, Literature, Commerce, Industry and Agriculture.

The French-speaking inhabitants of Ottawa will, doubtlessly, be pleased to learn that a newspaper bearing the above title is about to appear to meet their wants. Aware of the necessity for such a newspaper, in both languages spoken in Ottawa, and which will afford, every evening, the latest intelligence, I have not hesitated to undertake the publication of the *Courier*, and it shall be my aim in doing so to fully anticipate the requirements and wishes of the inhabitants of the Ottawa valley.

The future of Ottawa is promising. Trade is brisk, and there is evidence of present and future prosperity. Her means of communication to and from the city, and the facility of establishing additional factories, afforded by the unrivalled water-power at our very doors, will do much to rapidly increase the city of Ottawa.

Confederation has strengthened the social and commercial ties between the English and French speaking inhabitants of the Dominion, and it shall be the aim of the *Courier* to cement them still more strongly together.

In the views and measures of the existing government the proprietor of the *Courier* fully concurs, and will endeavour to give it that full measure of support which circumstances may render necessary, carefully avoiding unnecessary offence to such as may differ from us in opinion. We will cultivate a friendly bearing towards the traditions of the past and the actualities of the present, hoping to take a middle but not uncertain course, which cannot fail to be appreciated by the inhabitants of the entire valley of the Ottawa.

A young people should endeavour to raise themselves to the level of more advanced nationalities, and this they can only do by being made acquainted with what is done in other parts of the world. This shall be our task, and we shall also urge such improvements as may tend to increase the means of traffic and the wealth of the community. Our attention shall not, however, be confined to city wants. The requirements of the husbandman will receive a full share of our attention, knowing that on the cultivation of the soil the merchant and artisan very much depend. It shall, in a word, be our particular object to protect and encourage the agriculturist, and at the same time assist other industries, and to provide agreeable and useful information for both, in leisure hours.

Correspondents will always find our columns open to them in which to express their wants or to offer suggestions, provided the opinions expressed are consistent with morality and couched in moderate, though it may be earnest language.

Let it not be supposed, however, by anything that may have been said, that the attention of the *Courier* will be wholly devoted to local matters. The intelligence of the hour from every quarter of the globe will find its way into our columns, the telegraph will be freely made use of, and the latest news will be in every manner possible obtained.

Indeed, from the variety of matter which the *Courier* will contain, and the energy employed in its management, the proprietor fully anticipates success and pledges himself to deserve it.

The *Courier* will be published every evening at five o'clock, and the yearly subscription, payable in advance, is $4.

There will also be a weekly edition, the price of which will be $1 a year.
