THE CHURCHMAN'S MAGAZINE, printel and published by Messrs. T. & R. White, Han ilton, for January 1870 has come to hand. There is Anti-trophe A at least one interesting paper in it-an "Introductory paper on Hymnology," by the Rev. C. Pelham Mulvany, M. A., T. C. D. acting Chaplain to the Provincial Penit ntiary, which is as follows:

NO. 1-THE AMBROSIAN HYMNS.

heartiness and beauty of the externals of

more than on the increased use of metrical

The great advance in all that relates to the

hymns. Among the Protestant sicks the Cromwells and George the Fourths, and we has been at a standstill since the days of Watt and Charley Wesley. With the early generation of Tractarains, hymns were deeried as an unclean thing; proper to disenters; in to Mr. Mederic Lanctot, of Detroit, nor being | their churches "the anthem" was the flower and culmination of church song, and when an anthem was impossible, Tate and Brady Psalms were elected as more in accordance compositions. The use of hymns in place of anthems came with the larger and more democratic development of the High Church revival; it came when men learned to interpret the rubrics, and what shreads of ritual Anglicanism had preserved in a wider and less insular sense, as the uses of the pre-reformation church were more a subject of research, and their adaptation to the popular its rhyme, we should be inclined to attribute needs of our own day became felt. With to a later date than that of St. Ambrose. these studies came the bringing to light of the treasures of the rhymed Latin hymns and sequences of the middle ages. It is not too much to say, that in the beginning of the present century, the existence of this treasure was unsuspected; it is true that the Romance literature led a few to suspect that a new view of poetic beauty lay hidden in the productions of those centuries, which Mosheim solemnly sneers at and which Hallam dismisses with impatience as etry is rare, but the excitement of a revolu- are not aware that it has been translated. tionary time acts in itself as a kind of poetic inspiration, and the form of the Hymn being once understood by the study of the mediæval models, taste and power to adopt it to our modern needs has not been wanting Hymns Ancient and Modern," which with its appendix, is the Hymnal most generally used in Canada and in America, consists as we shall take occasion to show, of more than two-thirds translations from the mediaval Latin. It may therefore be of interest to the readers of the Churchman's Magazine, to fur-

nish a sketch of the origin of those rhymed metrical compositions, as well as the authors of those most in popular use through the medium of " Hymns Ancient and Modern." Lyric composition, of which religious poetry was probably the earliest form, has from the first taken two different methods of ex- seems to anticipate the most awful strains of pression, the Psalm and the Hymn. > The Position of Affairs-Apathy of the H. B. Conpany-Dissatisfaction-The Scotch and English Deny Dennis' Story

From the Toronto Telegraph. Georgerown, Minn, 7th, via St. Cloud Minn., Jan. 13 .- Dr. Tupper, Capt. and Mrs. Cameron, arrived here to-night. They left state. Riel is master of the situation, and has all the forts garrisoned by his troops. Riel compelled the Hudson Bay Company to give the key of the safe, and appropriated five

The insurgents have agreed to receive Father Thibault and Col, De Salaberry. The anteed to the purchaser. latter is commissioner of the Canada Government. They had entered Fort Garry under guard, and would meet Riel in council, then matters would be explained, and an attempt made to correct the misrepresentations under which the French have labored.

Dr. Tupper states that the English and Scotch trespassed, and that the employees Ottawa, January 18, 1870.

Riel, it is said, previous to this, told the Indians when they offered their services, wanted them. Dr. Tupper thinks the company is acting in a very apathetic way, and if they had

made an effort to allay the trouble, with the assistance of the English and Scotch, they might have secured the entry of Governor Riel now signs himself Commander-in-Chief, and has about 350 men in arms. English friends, who left Fort Garry on

that a working arrangement between the arms for McDougall, if Col.
