PROF. BOURINOT'S LECTURE TO-NIGHT.—Mr. John G. Bourinot will lecture to-night, before the Ottawa Literary Club, "On the Maritime Enterprise of the British North American Provinces." This will be the third of the so far, very successful course of lectures which this new literary association has commenced; and, considering the ability of the lecturer, and the very important subject he has chosen, we think an hour could not be better spent this evening than in attending Webster's Hall. The lecture commences at eight o'clock.

KINDNESS NEVER LOST.—An old Irishman, who returned from Chicago, happened to meet A. H. Taylor, Grand Trunk Ticket Agent, on York street, as we were crossing the Sparks Bridge with that gentleman yesterday, and seizing his hand, came near dislocating his arm. Mr. Taylor's astonishment was equalled by the old chap who exclaimed, "God bless you Mr. Taylor, I'm so glad to see you in good health." Not being recognized Mr. Taylor, he explained that three years ago, he was about going west, a stranger in the country, and received such directions as to place the poor old fellow in an easy position on his journey—thence his gratitude. A kind act is never lost.

ST. PATRICK'S READINGS.—Last night the St. Patrick's Hall was crowded. The first reading was given by the Hon. Malcolm Cameron who had the good humor which prevailed during the evening's demonstration. The choice was good. Mr. Higgins undertook the fourteen Dheilish," but it seemed that the beautiful old song took him, and carried him away. encore. Mr. Tubman, as usual, kept the audience in laughter by his good reading of the comical selections. Mr. O'Brien gave the original song, whose merit was appreciated by the audience. These popular readings are now given next to the public, and each night tells how well those directing have done their duty. No other readings is better needed than St. Patrick's. The following is the programme:

Reading.....Hon. M. Cameron.
Song.....Mr. Higgins.
Solo.....Mr. Bowes.
Reading.....Mr. Cunningham.
Song.....Mr. Tubman.
Solo.....Miss Turgeon.
Song.....Miss McGillivray.
Song.....Mr. McCarthy.
Reading.....Mr. W. D. O'Brien.

CONCERT.—To-night the concert for the benefit of the County of Carleton Protestant General Hospital takes places, under the patronage of Colonel Fielden and the officers of the 60th Royal Rifles, at the Music Hall. Considering the object in view, and the acknowledged talent of the amateurs, who, gratuitously, give their services on this occasion, this concert cannot fail to be well attended. There is no charitable institution in the city which requires assistance more than the Protestant Hospital, nor any that deserves it more. The programme is a most attractive one, and of itself, should draw a large and paying house.

Colds, Coughs, Bronchitis, Consumption, and all Diseases of the Throat, Chest and Lungs, Dr. J. Briggs' Throat and Lung Cure, is a certain and reliable Remedy. Sold by all druggists. 1274zz

### The Reiffenstein Case.

The City of Hamilton larceny case was taken up. Mr. Harington was sworn and gave evidence as to the routine business, as heretofore:

$2,564.50 appeared due to the City of Hamilton for 1867. There is nothing on the book to show it was paid. Hamilton being in debt to the Government the amount due it was merely placed to its credit. The business of issuing cheque was *routine*. Cheque was to be deposited in the Montreal Bank to the credit of the Receiver General. A receipt for the amount credited to Hamilton should be sent to the Chamberlain of the city. Reiffenstein was supposed to enter the number of the receipt in his book after certifying it. The acknowledgment of payment by the City of Hamilton, as *per* routine, should have been sent there by the Receiver General. Cheque was brought forward for $2,564 50 for Municipality of Hamilton for year 1867. A cheque was issued for this amount. Mr. Reiffenstein's duty in the matter of this cheque would have been to deliver it to me to be re-deposited or to have deposited it himself, and through his assistant to the credit of the Receiver General. He did not deliver it to me to be re-deposited. Cannot say if it was deposited by Mr. Reiffenstein. The cheque was signed by me and Mr. Dickinson. That amount had been placed to Mr. R.'s credit in the Ontario Bank, and was afterwards placed to the credit of the Receiver General—after which a receipt was sent to Hamilton for the amount so passed. I passed that amount to the credit of the City of Hamilton after 26th June last. Received the money passed to Hamilton from Ontario Bank. Think it was from Mr. McPherson. Know this amount was due to City of Hamilton from cheques. Know it from inspection of books. On the 26th June Mr. Auditor handed me a list of double payments. On Monday morning ensuing, either Mr. Goddard or McPherson asked me if I had a memorandum of a second deposit made to the credit of the Receiver General in the Ontario Bank made by Mr. Reiffenstein. One of them went to the bank, and got certificate of deposit signed by Mr. Mowbray. I drew the amount by cheque in favor of the Receiver General. My attention was drawn to the notice after Mr. Reiffenstein was arrested. I cannot connect the second deposit received from the Ontario Bank with the amount due Hamilton as having been the same on account of the similarity of the sums.

Mr. Lewis sworn—Am pay clerk in the Dep. Receiver General's office. I filled cheque on the warrant of Mr. Reiffenstein, issued 30th November, 1868. The amount was never carried to the credit of the Receiver-General, which I ascertained from an examination of the books. The amount was debited to Receiver-General. Debits are known by the number of cheque—but no credit ever was given for the same cheque.

Mr. Shay—Clerk in Receiver-General's department—sworn. He identified his own and Mr. Reiffenstein's signature, under date 20th November, 1868—also his own endorsation of cheque on same date—for $2,564 50. There is no similar amount that I could have signed a warrant for and endorse a cheque for. At the request of Mr. Reiffenstein I was instructed to acquire a warrant and endorse a cheque, and hand the latter to Mr. Reiffenstein. I know nothing more of it. I always handed back the cheques.

Mr. McMurtry, teller in the Ontario Bank, sworn—The cheques dated Nov. 20, 1868, passed through our office; it bears our official stamp. The amount was paid, for we got credit for it in the Bank of Montreal. Never paid it to Mr. Shay. Was instructed by the manager not to require Mr. Reiffenstein's endorsation for the payment of government cheques. Never paid Shay the amount of any cheques. I cannot say whether the amount of this cheque was deposited in the bank or paid over the counter. Cross-examined: No other could have got the amount of cheque without an endorsation but Mr. Reiffenstein would have paid the money to Mr. Shay, on strength of his endorsement. Mr. Shay never presented any of those cheques. I gave value for the cheque before me, either in payment or in passing them over to the credit of Mr Reiffenstein.

His Worship committed Mr. Reiffenstein for larceny.

THE MONTREAL TEA COMPANY
6 Hospital-st., Montreal.

Our Teas, after the most severe tests by the best medical authorities and judges of Tea, have been pronounced to be quite pure, and free from artificial colouring or poisonous substances so often used to improve the appearance of Tea. They are unequalled for strength and flavour. They have been chosen for their intrinsic worth, keeping in mind health, economy, and a high degree of pleasure in drinking them. We sell for the smallest possible profit, effecting a saving to the consumer of 15c to 20c per lb. Our Teas are put up in 5, 12, 15, 20 and 25 lb boxes, and are warranted pure and free from poisonous substances. Orders for four 5 lb boxes, or 12 lb boxes, or one 20, or 25 lb box sent carriage free to any Railway Station in Canada. Tea will be forwarded immediately on receipt of the order by mail containing money, or the money can be collected on delivery by express man, where there are express offices. In sending orders below the amount of $10, to save expense it will be better to send money with the order. Where a 25 lb box would be too much, four families clubbing together could send for four 5 lb boxes, or two 12 lb boxes. We send them to one address carriage paid, and mark each box plainly, so that each party get their own Tea. We warrant all the Tea we sell to give entire satisfaction. If they are not satisfied they can be returned at our expense.

COLD CHURCHES,
VERSUS
WARM CHURCHES.

We have bought the right to use the REVD L WARNER'S improved system of heating churches and other buildings, and also for ventilating the same.

The Revd John N Lake, Wesleyan Minister at London, Out, says: Having preached in a church during the winter of 1867 8, heated by the Rev L Warner's improved method of heating buildings, I am prepared to say that during the coldest weather the church capable of seating over 800 was always delightfully warm and well ventilated. I am confident that it is the most economical, safe, simple and complete arrangement for heating and ventilating buildings yet offered to the Canadian public. We have testimonials similar to the above from ministers, trustees and sextons of churches in various parts of the Dominion.

We are prepared to take orders for heating churches, school houses, stores and dwellings. Our work will be guaranteed to give satisfaction.

Orders from a distance likewise promptly attended to.

By this system the air in any building is at all times the same temperature at the floor as it is near the ceiling.
