NO CHURCH.—There will be no service in St. Andrew's street Presbyterian Church to-morrow.

FRESH ARRIVAL.—By Express last evening, more cases of those Fresh Oysters were received at THE TIMES Office. Only 25 cents per can, X X X, and not frozen.

RUNAWAY.—One of Mr. Rochester's teams, employed in drawing beer, took fright on Cumberland street, yesterday morning. They made a bold dash down the street, and succeeded in smashing the sleigh.

ARRIVALS AT THE UNION HOUSE.—Joseph Hay, Ogdensburg; J C Patterson, Chelsea; John Ferguson, Montreal; Wm Ewing, do; John Mathew and wife, Gatineau Mills; Wm Watts, Quebec; Alfred Holt, Aylmer.

A TRAMP.—Some twenty-five ladies and gentlemen took a free and easy snow-shoe tramp down the Ottawa, last night. The classical locality of the Gatineau Point was, of course, visited. A pleasant evening was spent, and the party returned to the city.

THE LATE MR. KELLY.—The bereaved wife and the daughter of the late Mr. Kelly, who died so suddenly at Matthews' Hotel, arrived on Saturday night, and propose to take the body of the deceased to Brockville by last night's train.

ARRIVALS AT THE RUSSELL HOUSE.—R C Hamson, Montreal; C C Ray, Ottawa; C Egan, Montreal; F Simmons, Syracuse; S Smith, jr, Cobourg; T M Daly, Stratford; J O'Reilly, M Flanagan, Kingston; S Thompson, Montreal.

FROST, FROST, FROST.—Buss and Co's potatoes are free from frost, and always fresh and of the best quality. Lobsters and fish always on hand at lowest prices in the city. All descriptions of fruits and vegetables supplied and delivered on shortest notice. Game of all kinds at Buss and Co's., 21 Rideau street, old Times building, near Little Sussex street.

ROW.—After the trotting match some of the parties interested were celebrating their respective increased or fallen fortunes at the Albion Hotel, during which a discussion arose, and resulted in a row. One of the panel doors of the bar-room was smashed, but the ever-available "lightning" man came to the rescue, and proved himself as successful in muscle as he is in selling his oil. He put them out in double quick time.

ORDNANCE LANDS.—We received information, yesterday, from the militia department, that orders would be issued to Lt.-Col. Jackson, at Brockville, who, in turn, would issue orders to the commanding officers of the different companies in this city, to the effect that the Ottawa Rifles will be required to parade on Tuesday, the 15th inst., to form a guard for H. R. H. Prince Arthur, inside the Parliament Buildings, and the Garrison Artillery will be required to parade seventy-five strong for duty outside the Buildings.

OTTAWA GARRISON ARTILLERY.—This fine body of artillery will, we are informed, parade on Monday, Tuesday and Friday evenings of next week, with a view to taking a share in the ceremonies attendant upon the opening of Parliament, and the presence of His Royal Highness Prince Arthur, to both, as a corps, they are fully entitled. Every man will, doubtlessly, be present, and we are quite sure, that no employer of any member of the city companies will throw any impediment in the way of honor being done the third son of Her Majesty the Queen.

THE PREPARATIONS.—The Senate Chamber and the adjacent rooms are in a state of topsy turvy. The floor having been raised, the bar of the House when taken down, the spacious hall can afford dancing for two hundred couples on the occasion of the State ball to be given to the Prince. Judging from the appearance of stock in the vaults, the male portion of those doing honor to the son of our Sovereign will have little to complain of in the matter of the exertions used by Messrs. Moore & Kavanagh to cater to the most delicate tastes. The decorations are to be made under the able supervision of Mr. McKay, among which are intended to be placed shields symbolical of localities in the Dominion.

HOUSE OF COMMONS READINGS.—Notwithstanding the threatening weather, Gowan's Hall was crowded last evening. These readings are par excellence the entertainments in that line here. The Hon. Christopher Dunkin presided. The selections both in readings and music were well made. The following is the programme:—

Duett, by the Misses Orme.
Reading, by Lieut.-Col. Coffin.
Duett, by Messrs. Brewer & Ashley.
Reading, by Dr. Wilson.
Recitation, by Mr. Jones.
Reading, by Mr. Porter.
Song, by Mr. Clark.
Reading, by Mr. Walsh.
God save the Queen.

COUNTY COURT.—The Russell House case was further adjourned till Monday, owing to the absence of material witnesses.

The parties charged with having stolen a barrel of pork at the railway depot were convicted. It was not generally believed that the charge of stealing was true, but the evidence being a preliminary one, a conviction resulted of necessity. The parties are hitherto borne a good reputation—in front of which Alonzo Wright, Esq., member for the county in which they reside, became security for their appearance.

Shepean's case was called, as well as that of Victoria Levique—both ladies were absent at the time. The Police Magistrate awaited with charming presence for some twenty minutes, and, losing hope, left the court, much to the disgust of the many who anticipated some revelations. Counsel interested rushed after him, but the Call was inexorable, and stood on his way notwithstanding the fact that the ladies met him before he had left the building twenty yards behind him.

Prince Arthur attended the opening of the new Protestant school in the west-end of the city to-day. Addresses were presented by the School Commissioners and children. To those addresses the Prince replied as follows:

To the Protestant Board of School Commissioners:

Most sincerely do I return my thanks to you, Mr. Chairman, and to the Commissioners, as well as to the children of the school, for the gratifying addresses that have just been presented, and the hearty welcome that you have accorded to me. You are right in believing that I take a deep interest in the success of so useful an establishment as that which we are now here to open. I assure you I regard the spread of general education and of religious teaching as of the most vital importance, not merely to each individual, but to the progress, welfare and safety of a country. The efforts you have been making in behalf of a sound and liberal education, acceptable to the poorest classes, are most praiseworthy, and sincerely do I hope that through God's blessing your labors may be crowned with the utmost success, and that the children taught may in after years look back upon the days they have spent here with deep gratitude to the Almighty for benefits they have received.

AMERICAN NEWS.

The Arctic Expedition—Miss Romero to Enter a Convent—French Atlantic Cable Law Suit.

WASHINGTON, February 11.—Captain Hall, Arctic explorer, is now in this city with his Esquimaux. He desires to obtain from the Government aid for another and more extensive expedition than has yet been undertaken, and he expresses the belief that, with some assistance from the Government, he will be able to penetrate to the North Pole, and explore regions between 80th and 90th degrees of north latitude.

The *World's* special says that Washington society is soon to have a sensation in the withdrawal from its circle, and the world generally, of Miss Romero, a sister of Senor Romero, late Spanish Minister here. Miss Romero is aged 19 years, and a lady of rare accomplishments and striking beauty. She will soon take the vows, and enter the society of Catholic Nuns, known as the Order of the Visitation in this city. She is reported to be possessed of considerable wealth, which she will probably make over to the Order.

Collector Bailey instituted suits, yesterday, against the French Trans-Atlantic Telegraph Company, to recover penalties in one hundred cases, in which the company are accused of giving unstamped receipts for money to their patrons. The fine for each violation is $50.

BREAKFAST.—EPPS'S COCOA.—GRATEFUL AND COMFORTING.—The very agreeable character of this preparation has rendered it a general favourite. The CIVIL SERVICE GAZETTE remarks:—"The singular success which has attended Epps's homœopathic preparation of cocoa has never been surpassed by any experimentalist. By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills." Made simply with boiling water or milk. Sold by the trade only in ¼lb ½lb and 1lb tin-lined packets, labelled—JAMES EPPS & Co., Homœopathic Chemist Boudon, England. 1139SW3m

—The efficacy of Bryan's Pulmonic Wafers in curing Coughs, Colds, and all Bronchial affections, and cheering the afflicted, has passed into a proverb. In the United States, where these marvellous Wafers are known, they bear down all opposition and eclipse all rivalry; the demand for them has steadily increased for the last twenty years, until now the sales average over hundred thousand boxes a year. Eminent members of the medical profession without number admit that they know of no preparation producing such beneficial results as these Wafers. When taken in season they affect a permanent cure. Sold by every druggist and most of the respectable stores throughout the Province, at 25 cents per box.

The mind governs the muscles through the nervous system, as the telegraph apparatus is influenced by a remote operator through the wire. If the mind is impaired by age or disease, the muscles are made to perform strange or unnecessary acts; but if the nervous system is diseased, the muscles of the Stomach, Liver, Heart, Lungs and Genital Organs, are sure to suffer, and from their inaction produce Dyspepsia, Disease of the Heart, Weak Lungs and General Debility, with their accompanying trains of evil and resulting diseases.

A Diseased Nervous System, Vitiated Blood, Bad Digestion and Weak Lungs, always precede Consumption.

By the timely use of Fellows' Compound Hypophosphites the nerves regain their vigor, the brain becomes clear and powerful, the muscles healthy. Dyspepsia a disease of the past, the heart's regular action is restored, the blood made pure, the lungs strong, and all the functions of the body are brought up to a healthy standard.

We are enabled to state the above on the most convincing testimony.

Sold by apothecaries. Price $1.50 per bottle or 6 for $7.50.
