COLD CHURCHES, 1 VERSUS

WARM CHURCHES, We have bought the right to use the REVD L WARNER'S improved system of heating churches and other buildings, and also for ventilating the

The Revd John N Lake, Wesleyan Minister at London, Ont, says: Having preached in a church during the winter of 1867 8, heated by the Rev L Warner's improved method of heating buildings, I am prepared to say that during the coldest weather the church capable of seating over 800 was always delightfully warm and well ven-tilated. I am confident that it is the most economical, safe, simple and complete arrangement for heating and ventilating buildings yet offered to the Canadian public. We have testimonials similar to the above from ministers, trustees and sextous of churches in various parts

of the Dominion. We are prepared to take orders for heating churches, school houses, stores and dwellings. Our work will be guaranteed to give satisfaction. Orders from a distance likewise promptly

By this system the air in any building is a a out the same temperature at the floer as it situated in Townships bordering on the Rideau near the ceiling. II MEADOWS & CO. 35 Sussex street down at the time and place of sale; the remainder
