was 200 miles on this side, and was not so favourably situated as Nipigon. Bay or Thunder Bay for connection with Red River e saw no freason why the Dominion should find it necessary to subsidize any American company (hear, hear), for the road should pass through our own territory. He deprecated the remarks of his hon. friend opposite (Mr. Connell) with rogard to the expense of vindicating the authority of the Dominion, and of the Empire in relating to troubles in the North West. That must be done at all costs and at all hazards (cheers). We must feel precisely in the position of an individual who has been offronted that until that of front is wiped out no other question must stand in the way of vindicating our position (hear, hear). He considered it a chear, hear). or the hon, member for of Bishop Bothune. The building was saved, Ugoma and others, to have expressed their omion about the route chosen by Mr. Dawson for a road, was during the casion last spring, when their views would have been of some use. He had no doubt, To-day the weather is mild and snow difthe Government showed anything like appearing decision and activity in the construction that road, they would have got it done by spring, when it would be required by emigrants, but the Government had showed that some want of activity, and firmness, Hon. Sir GEORGE E. CARTIER-Don't

far, as the Hon. Minister of Militia knew violence from anyone. perfectly well, and indeed injured his party by his moderation, but he must tell the truth even if he did now injure the tiovernment a little. He had no dou't, from information he had received, that this Dawson road was worse in its manage. ment than the Intercolonial. But he did the whole conduct of the Government of the year. would soon pass under review, and as reference would be made to Mr. Macdougall, who was ill, it would be unjust to indulge
