ros in New Brunswick ought to be ie in French and English as in the Proe of Quebec, He was also opposed to provision that a professional man be Returning Officer, as a merchant famer could do the work just as well. r. SMITH (Westmoreland) could not ee with the member for Victoria (Costigun) in reference to the working tisfaction, and by its he ballot in New Brunswick. He was was provided that as te prepared to admit that it had not rmed all the abuses of open system; have 600 voters. In se on the whole it had worked well, and brought peace at elections and done y with a good deal of bribery, though of it all. He hoped the Government sked to div.de it be that this should be the Bill. In 1855 the pointed out that this Bill would restrict giving rote by ballot. schise in New Brunswick and disenfrantice of, son to make it a franchise. The New Brunswick franhe thought might be adopted for New Brook, be be thought on without any danger, pecally in regard to allowing personal merty to be qualification. With refer-to the system of Registration, he and out that it involved the examinaadetery title to real estate, because bendaries had to be given, which molve an immense amount of or al expense. This evil might permat for the purpose of ascertaining in the necessary amount of propertyw man with a mortgage on his propersaid be deprived of his vote, as the wided that he must hold his provin a free and common soccage, He ted the propriety of imposing upon County Judges the work of Revising fisters; as they had already as much to s they could attend to, Besides he ight Judges should not in any way be P.M. ken strongly in superior led up in politics. There was very exive power given to Revising Barristers; have power, for instance of fixing the e of the property on which the qualiion was based, and if Judges had this to do he was afraid it would place its would be made or wall n in a position where they would be y to New Brunstek, mit of to go home sail or the le to be regarded with suspicion. He ught the Sheriffs should be made ed one Bill which is ou pointing Return ng Officers just before tion, who would have the appointing of se under them. He also thought elecion, and thus m as should always be held at the shire m. With regard to the general features the Bill exempting the restriction of

verument to appoint a Board Registrators, and other objectionle features, he approved of them. Mr. CARMICHAEL spoke in favour of simultaneous polling system. He d he believed that the people of Nova otis would rather give back the subsidy nted them, than to give up that system. Ir. MASSUN (Soulanges) said the Miner of Justice was wrong in the defining of s franchise, eighty thousand men, whom could call upon to defend, the country cuse of need. Provision was made in oners for each parish, and the inten m wis that they should be lawyers. He and respectable farmers for each par quite competent to discharge the e (hev, hear). He did not think the suffi eatly provided for the intats of the re ch Canadian population th respect to me provisions or the law. Hon. Mr. HOWE said it was the duty of Government to establish a uniform allowed in any way to control elections this House, which would be the case ent of allowing every man who was assect was that every man who owned a last evening ings worth of land, had the franchise, d a man of property could qualify as iversal suffrage in Nova Scotia, and the ult was that in a close election there ere always enough of poor wretches who uld turn the scale of election by selling evotes. There must be a compromise this matter; Nova Scotia nor New unswick could not be expected to conthe Dominion. Ontario and Quebec d the rotes, but he did not believe they er been asked for in Nova Scotia if New Brunswick' had to give if terms they could get in a great medof compromise. The simultaneous In getting it put in-(hear, hear

aber that there must be more or less syst m of op rations. comise in all legislation. He then ent on to criticise humorously the arguquently brought down roars of laughter

aswick, and the removal of which would garde les a great mjury, and he hoped ock, though in all other respects, the law numbered them above.

urous style his experiences under

should be used on reading the writ might be made uniform in all the Provinber proclimations. Before sitting ces. Such a course would be no injury be would explain his position in the the other Provinces, and would allow New He had given the Government a Brunswick to continue to enjoy what they He had given he came into considered a great boon. In other points the had occupied an awkward the people of New Brunswick would yield fouse he had be from a part of New their opinions if they would be allowed to

where people and other Mr. ROSS (Nova Scotia) said Nova Scotia He had noticed the sheers which election law had worked well, and the peoen given to speakers in this House ple did not desire it attested. In his own oke in favour of Confederation, and county he was convinced one fourth of the coldness which was awarded to that it only be represented by Confederation, and the represented by Confederation, but the measure. He was pleased to hear the cates, he had declined to accept, and cates are the country stores generally throughout the Property of Boston had safely arrived at Queenstown. The joy evinced was universally throughout the Property of Boston had safely arrived at Queenstown. The joy evinced was universally throughout the Property of Boston had safely arrived at Queenstown. By order, F BRAUN,

WHE MONTREAL TEACOMPANY.

Ottawa, 8th March, 1870.

The whole Dominion should buy their teas of the Importers,

THE MONTREAL TEA COMPANY

6 Hospital-st., Montreal. Our Teas, after the most severe tests by the best nedical authorities and judges of Ica, have been pronounced to be quite pure, and free in and ertifi inleolouring or poisonous substances so often used to improve the appearance of Iea. They are inequalled for strength and flavour. They have seen chosen for their intrinsic worth, keeping in nind health, economy, and a high degree of pleasure n drinking them. We sell for the smallest possible profits, effecting a saving to the consumer of 15c to tue per lb. Our feas are put up in 5, 12, 15, 20 and poisonous substances. Orders for four 5 lb boxes, wo 12 lb boxes, or one 20, or 15 lb box sent carri ge ree to any Railway Station in Canada. ies will ne torwarded immediately on receipt of the order by n il containing money, or the money can be collect ad on delivery by express man, where there are xpress offices. In sending orders below the amount of \$10, to save expense it will be better to send noney with the order. Where a 25 th box would be too much, four families clubbing together could end for four 5 lb boxes, ortwo 121b boxes Wesend hem to one address carriage paid, and mark each box plainly, so that each party get their own Tea. We warrant all the Tea we sell to-give entire atisfaction. If they are not satisfac, 13 they can
