SUNSTROKE.—This accidental infliction, called by the French *coup de soleil*, is supposed to occur more frequently as the country is cleared, but such indeed is not the case. In the same manner may suppose that crime is on the increase as the country becomes older, but this is also deception. The truth is both illusions spring from the increased facilities for communication, which, like the great thoroughfares Rome [illegible], toweld in the wake of civilization.

—The efficacy of HAYNE'S Pulmonic Wafers in curing Coughs, Colds, and all Bronchial affections and relieving the afflicted, has passed into a proverb. In the United States, where these marvellous Wafers are known, they bear down all opposition and eclipse all rivalry; the demand for them has steadily increased for the last twenty years, until now the sales average over hundred thousand boxes a year. Eminent members of the medical profession without number admit that they know of no preparation producing such beneficial results as these Wafers. When taken in season they affect a permanent cure. Sold by every druggist and most of the respectable stores throughout the Province, at 25 cents per box.

The Supreme Court of the State of New York have issued a perpetual injunction against Eaton and Jenkins for counterfeiting Ayer's Cathartic Pills, holding them responsible for the cruel imposition it was they have done and resraining them from further like injury to the public. It may any class of our people more than another needs the interposition of law to shield them from imposture, it is the sick and suffering who are unable to protect themselves. The remedy so universally employed as Ayer's Pills by all classes, to cure and prevent disease, should be of those, have every security the law can afford it, from a counterfeit and imitation.—*Cabinet, Albany* secondly.

SYMPTOMS ARE SO.—That is all who have ever used the article themselves or witnessed its effects when used by others; all such, and they are only fit to judge, are unanimous in the opinion that "Darley's Condition Powders and Arabian Cure Remedy" is superior to anything of the kind heretofore or at present in use for coughs colds, thick wind, and all diseases which affect the wind of horses. As a condition medicine it has no equal; there is nothing in it which can injure a horse whether sick or well—nor need the horse be kept from working while using it; it is just the article which all who own horses require, and which they should have constantly on hand. Remember the name, and see that the signature of HURT AND CO. is on each package. Northrop & Lyman, Newcastle, Ont., proprietors for Canada.

COUGHS AND COLDS.—Sudden changes of climate are sources of Pulmonary Bronchial and Asthmatic affections. Experience having proved that simple remedies often act speedily and certainly when taken in the early stages of the disease, recourse should at once be had to "Brown's Bronchial Troches," or Lozenges. Few are aware of the importance of checking a cough, or "common cold," in its first stage. That which in the beginning would yield to a mild remedy, if neglected soon attacks the lungs. "Brown's Bronchial Troches," or Cough Lozenges, allay irritation which induces coughing, having a DIRECT influence on the affected parts. As there are imitations, be sure to OBTAIN the genuine. Sold by all dealers in medicines, at 25 cents a box.

GUYOT'S TAR,
CONCENTRATED PROOF LIQUEUR.

M Guyot has succeeded in depriving tar of its inexpressible sourness and bitterness, and in rendering it very palatable. Profiting by this happy discovery, he prepares a concentrated liqueur of tar, which in a small volume contains a large proportion of active principles.

Guyot's tar possesses all the advantages of ordinary tar water without any of its drawbacks. A glass of excellent tar water without any disagreeable taste may be instantaneously obtained by pouring a teaspoonful into a glass of water. Any one can thus prepare his glass of tar water at the moment he requires it, thus economizing time, facilitating carriage, and obviating the disagreeable necessity of handling tar.

Guyot's tar replaces advantageously several more or less inactive ptisans in the treatment of colds, bronchitis, coughs and catarrhs.

Guyot's tar is employed with the greatest success in the following diseases:

AS A DIAPHORETIC—A teaspoonful in a glass of water, or two table-spoonfuls in a bottle:

BONCHITIS
CATARRH OF THE BLADDER
COLDS
OBSTINATE COUGHS
IRRITATION OF THE CHEST
HOOPING COUGH
DISEASES OF THE THROAT
PULMONARY CONSUMPTION

AS A LOTION—Pure or diluted with a little water

AFFECTIONS OF THE SKIN
ITCHINGS
DISEASES OF THE SCALP.

Guyot's tar has been tried with the greatest success in the principal hospitals of France, Belgium and Spain. Experience has proved it to be the most hygienic drink in hot weather and in time of epidemics. Detailed instructions accompany each bottle.

Ayer's
Hair Vigor,
For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *Faded or gray hair is soon restored to its original color with the gloss and freshness of youth.* Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.

Ayer's Cherry Pectoral,

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Probably never before in the whole history of medicine, has anything been so universally relied upon for the relief of mankind, as this excellent remedy for pulmonary complaints. Through a long series of years, and among most of the races of men, it has risen higher and higher in the public estimation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given, for inveterate and settled colds, and the dangerous affections of the throat and lungs. As a provision against sudden attacks of Croup, it should be kept on hand in every family, and indeed as all who have once used it, realize, colds and coughs, all should be provided with this antidote for them.

Although settled *Consumption* is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the *Cherry Pectoral*. So complete is its mastery over the disorders of the Lungs and Throat, that the most obstinate of them yield to it. When nothing else could reach them, under the *Cherry Pectoral* they subside and disappear.

Singers and Public Speakers find great protection from it.

Asthma is always relieved and often wholly cured by it.

Bronchitis is generally cured by taking the *Cherry Pectoral* in small and frequent doses.

So generally are its virtues known, that we need not publish the certificates of them here, or do more than assure the public that its qualities are fully maintained.

Ayer's Ague Cure,

For Fever and Ague, Intermittent Fever, Chill Fever, Remittent Fever, Dumb Ague, Periodical or Bilious Fever, &c., and indeed all the affections which arise from Malarious, Marsh, or Miasmatic poisons.

As its name implies, it does *Cure*, and does not fail. Containing neither Arsenic, Quinine, Bismuth Zinc, nor any other mineral or poisonous substance whatever, it is entirely harmless on the system, and the number and importance of its cures in the ague districts, are literally beyond account, and we believe without a parallel in the history of Ague medicine. Our pride is greatest in the many testimonials we receive of the radical cures effected in obstinate cases, and where other remedies had wholly failed. Unacclimated persons, residing in, or visiting or travelling through miasmatic localities, will be protected by taking the *AGUE CURE* daily.

For *Liver Complaints*, arising from irregularity of the Liver, this remedy is an excellent stimulant to the Liver into healthy activity.

For Bilious Disorders and Liver Complaints, it has no equal. This remedy, properly used, will work remarkable cures, where other medicines have failed.

Prepared by Dr. J. C. AYER & Co., Practical and Analytical Chemists, Lowell, Mass., and sold by all round the world.

To Messrs. CHAMBERLAIN & SILLS, CORNWALL P O County of Lennox, Ontario, Canada:

MARCH, County of Hastings, Province of Ontario, Feb. 9th, 1869

This is to certify that during the winter of 1866 I was troubled with a weakness of the knees, which gradually, during the spring of 1867, extended to my knees, and on up to my hips, and I became so weak that I could not walk, but was confined to my chair. For about two years, while this weakness was coming on me, and afterwards, I sought medical advice, employing, at different times three doctors, and medicines of different kinds prescribed by friends, but of no avail. I continued to get worse and worse, until the summer of 1868, when I was induced to try the great "Sheshoeneca Remedy by reading a circular formed in a pamphlet. At this time I had begun to feel the weakness in my hands; in fact I was getting almost helpless. I have taken two bottles of the "Sheshoeneca" Remedy and two boxes of the pills and I am entirely restored to health. I never expected to get about so well, but simply tried the medicine as a sort of forlorn hope. This case of mine was not a private one, but known to all my neighbours and friends; and to any one afflicted as I was, I have only to say try the Sheshoeneca Remedy; I believe it will cure you.

MARY ANN DOUGHTY

Sworn to before me at Madoc, County of Hastings, this ninth day of February, 1869.

A F WOOD, J P, &c.

I hereby certify that I have known Mrs. Mary Ann Doughty for the last fifteen years; she is a woman of veracity and truth, and I have known her before, during, and since her illness. I believe her certificate to be true in every particular. I know that while ill her case was declared hopeless; and I know that she has, since her recovery, always attributed her recovery to the Sheshoeneca Remedy. Whatever may be the peculiar properties of this medicine, one thing is certain, that in her case it has acted almost like the performance of a miracle.

Warden of the County of Hastings, Province of Ontario, Dominion of Canada.
