Mr. Foxwell moved for a return of monies expended on public works since 1st July, 1867. There in Nova Scotia had been suffered to fall into decay.

A long and heated debate took place on this question. Hon. Sir John A. Macdonald pointed out that there were no public wharves or harbours in the whole of Ontario.

General Lindsay has arrived at Portland in the Province yesterday, and without doubt, brings with him instructions from home concerning the Red River.

A SHEEP FABRICATION. Seasonal stories are well enough in their way, but there really ought to be some regard to truth in making such announcements as the resignation of a Minister of State.

It would, then, first address himself to what he considered the intrinsic merits of the case, and then to the merits of the proposal.
