Theother was the adjourned case between Mos and Clouthier for leaving as alledged the employment of the former, centrary to the terns of engagement. Decision to be given So long and favourably known as

Faux.-There is every probability of the all two being a good one this year, the nona ten all parts of the country are ening. The apple trees are in full bloomif for so far the frost has not injured them. as are likely to be an unusually large withey can have another ten days withfirst. Farmers on all sides of Ottawa are their attention more towards fruit than they did some years ago. A great wof young orchards have been planted in the last two years, and are doing well frapect a good show of fruit at the mal fair next fall.

Market yesterday was very good was a good supply of hay seiling from Bo per ton, very little first quality, the portion of it being old meadow hay mad Potatoes were plenty, selling 10 10 43 cents per bushel. Butter was so plentiful as on Tuesday, but there was alteration in price. Outs were selling at to 36 cents per bushel. There was bald corn, but the owner did not know er to mak 50 cents or 75 cents per selfor it as it is seldom brought on the arket for sale. There was no pork of any ind on the stand.

GRACE EQUATION (Mrs. Geo. Cas-), needs no commendation from us. Her performance se it exeming, were of the highest order of cellence. Knowing that those " who live please, must please to live," this most satile lady, excelling as a cantatrice, a seens, and a comedian, never fails to please. the varied characters, which she assumed, serdinary talent was displayed, so much hat she brought down the house, receiving mis of spplause, and being frequently cered. Her impersonation of Mr. "Sims eres, and of "Sairey Gamp" were alike milable-imitations as they were ; and we quite convinced that there will be an actionarily large attendance to night. It Coasta a musician of a high or her of allager. His violin solo-" The King of Cannibal Islands, would have done no redit to Ole Bull, Taken as a whole, the mance was of a very superior descrip-

searner.-Why is it that the whole gla from Toronto and other western Cities mplain of a want of employment for im ate, while here at Ottawa it is almost insie to get hired help. Scarcely a housein the city or country, but is complainbut the work they have to go through for discreases Hundreds of applications for servants of all kinds, and some ma girls were all that could be The demand is still increasing, red rages offered, but it does not apto be any inducement for immigrants to this part of the Dominion. The want was one of the greatest drawbacks to work at lumbering, would rather ills than work on a farm

STAT SLAUGHTER AMONG THE FINE. Yesterdog's Back locks, and the water was rople who had gathered expecting some As soon as the water was low enough in began, nets, sticks, spears and bags the city and returned with a good supply ish. It is impossible to give anything like April 21, 1870:

a correct statement of the number killed, but there must have been over five barrels full taken in the course of a couple of hours. A They were of all kind found in the Ridean Rever, some of them mackinonge that would weigh as much as ten pounds, and a great quantity of large cels. The lockmen say ther : neve Twas such a take in the Hogs Back locks before.
