This is to certify that during the winter of 1856 was taken with a weakness of the ancies, which gradually, during the spring of 1867, extended to my knees, and on up to my hips, and I became so weak that I could not walk, but was confined to my chair. For about two years, while this weakt ness was coming on me, and afterwards, I sough medical advice, employing, at different times three doctors, and medicines of different kinds prescribed by friends, but of no avail. I continued to get worse and worse, until the summer of 1868, when I was induced to try the great Sho shoness Remedy by reading the cures performed in a pamphlet. At this time I had begun to see the weakness in my hands; in fact I was getting almost helpless I have taken two bottles of the Shoshonees Remedy and two boxes of the pills and I am entirely restored to health. I never expected to get better, but simply tried the medicine as a sort of fortorn hope. This case of mine was not a private one, but known to all my neighbours and friends; and to any one afflicted as I was, have only to say try the Shoshonees Remedy; believe it will cure you.
