

Officet 39, Sparks Street. TUESDAY MAY 31, 1870.

Sir John has gained but little in strength during the last week, though free from to the country whose hospitable freedom

suffering, his condition is very precarious. A. GRANT. Seo. W. CAMPBELL.

6:50 p.m. May 30, 1870. THE PAMPERING OF BRIGANDS.

That there should be pirates at sea is as i is what it has to say the highway. The sea is the grand high- as a military movement. In this respect of those loyal men, who, without having way of nations, and on that highway there will be men, who live by violence to tility against the United States than the home requirements of the others, as certainly as that by some natu- against Canada or Her Majesty's Govern- dear to them, unhesitatingly rushed ral law, men are born with the Ishmaelite ment. It is making this country an arsenal arms in their country's cause. They went robbers of humanity every hand is up against a friendly power. Whatever causes the city, and it is right that those, who is doomed to destruction where.

Neither respecting its peace and dignity, nor its friendly relations with other gov.

It is expected that several Fenial Sympathy and calculagement of the peace and dignity, and calculagement of the peace and dignity, will be brought to the city to day.

We are glad of this vote, less on account on the peace and dignity, nor its friendly relations with other gov. ever met. His own life is one or destruction to others that he alone may live, the alone may live may l tion to others that he alone may hive, and the lives only to be himself ultimately and he lives only to be himself ultimately and he lives only to be himself ultimately and he lives only to be himself ultimately tent. The City Council merit the peck and the other hand to be the notorious of the Republic. If the destroyed in vengeance for the crimes Republic does not so treat them, it is bewhich his course of life has forced upon cause magnanimity gets the better of jushim, in fulfilment, as it were, of the saying that there is no peace for the winked As it is with the sea robber, so is it, in a THE TEUTONIC-YANKEE-HIBERNIAN circumscribed sense with the brigand. Against him all honest people have a grudge. His crimes|keep him apart from the people. He is a human bird of prey, and Irish "Philo-bursters" have all turnwhich swoops down suddenly upon his ed their backs upon Canada, disgusted victim, slays, plunders or feeds, and disap. with the treatment, which they have repears until again tempted forth from his ceived. They succeeded in entrenching hiding place by hunger. Such men are thomselves fifteen miles from our fronnot ordinarily pampered by civilized Gov. tier. They got into some farmers houses, General O-Netli's Present Legal Position. ernments, and encouraged to do private four miles within our borders-and they murder. Algiers once sheltered pirates, rushed out again. Of those who ran, he and brought down upon herself the punish- who outstripped the rest, ran with no the way one of the American newspapers as- ungainly form and manners. His brogue is

ordinary degree of vigor. The shower of sures us that he was irreverently addressed by that of the hod-carrier-bis language is ment due to the crime. A British Admiral bullets whizzing all around, maiming some, placed his ship close up to the fortifications bullets whizzing all around, maiming some, extradition under the treaty between the been made a remark among those who of the place, and, to the surprise of the and killing others, gave a sest to their United States and England. The offences for have seen him by what means such a specimen Doy, as well as to his cost, summarily as speed. They paid dearly for the privilege which the two nations have undertaken to of ignorance and stupidity could have obtainof being housed even for a moment on extradite offenders are these :- Murder, or as - ed boly criers. His reading has been less tained at the hands of the miscreants who Canadian soil. It is no wonder that some or arson, or robbery, or forgery, or the utter- His knowledge of theology must have been and went to the Fenian headquarters at had issued from the port.
