REPORT NO. 3 FINANCE COMMITTEE.

To the Board of School Trustees of the

The Finance Committee have the honor to report that they have carefully exmined the accounts of the Secretary for year ending 31st December, 1869, comparing the entries with the margins of the heque book, and that they have found monies paid directly by order of the

The total expenditure for the year so recorded was \$24,090,18. Of this large sum, limis at the Russell House to day | \$6484.17 was on account of teacher's salaries; \$820, on account of salaries to officers; \$360, for rent of school houses; \$497.80 for fuel; \$15,418.48, on account of build ings erected, and the balance, viz, -\$509.67, for various other charges. The Committee waited also upon the

City Chamberlain to ascertain the condition of the account with this Board and were furnished with the following statement:-The Corporation of the city of Ottaw in account with Common Schools:

City of Ottawa, July 6th, 1870. It is proper, however, to observe that the balance at credit of the Board, on 31st Dec., 1869, as reported by the Chamberlain, differs from that with which the Secretary commenced his year's account, the latter officer showing only \$8458.16, the difference arising from cheques charged by the Secretary which had not been paid upon a Moonlight Excursion, watch will extend

by the Chamberlain on 31st Dec. From the statement of the present available assets already given, it appears that ties of them may be seen wending there is a sum in hand, and to be collected, of \$4202.77, which, however, is to be added the Government allowance of \$759, which, with the non resident school fees which will come in during the year, will give a hard; necessary to do more than name, since the total as nearly as possible of \$5,000.
