

LOCAL NEWS.

moreover, it has not those drawbacks which are so much felt in many public halls, viz., difficulty of hearing in the gallery and oppressive heat. The Theatre is always complete. Mr. Marshall opens with a first-class comedy, Miss Nellie Nelson, so popular as a comedienne, who here on a former occasion, will make her appearance on the stage of Her Majesty's Theatre again this evening, and we are sure will be highly greeted by all who had the pleasure of witnessing her acting before. Miss Nelson has a peculiarly sweet voice, and sings with taste and feeling. But Miss Nelson will not be alone on the stage; the well-known comedienne, Miss Ward will supply fun sufficient for the most insatiable taste, and with a number of other good actors to perform the several parts, a most pleasant entertainment may be expected. Let me be present at the grand opening performance which takes place this evening positively. The box plan may now be seen at the Theatre, and the seats are very comfortable. The charge for admission to the Dress Circle is 50 cents; gallery, 25 cents; private boxes, \$1 or \$2; single seats in private boxes, 75 cents, and a limited number of season family tickets may be had at reduced rates.

COMMENCING
SATURDAY, 25th INSTANT.
MAGEE & RUSSELL
Having found it necessary in order to accommodate their rapidly increasing business to make extensive alterations and improvements in their SHOW ROOMS, so as to give more space and greater facilities to their
MANTLE, MILLINERY, and Tailoring Departments,
Will commence on SATURDAY to sell all the remaining stock of Hats, Bonnets, Millinery Goods, Flowers, Feathers, Mantles, Shawls, &c., at such prices as will effect a clearance before the alterations begin.
ANY price is better to us than keeping these goods over.
GREAT bargains given in other departments.
SPECIAL inducements in Grey and White Cottons, Prints and Dress Goods.
MAGEE & RUSSELL.

Rideau Maton.
The return match between the Cotton Bros. and the Civil Service Rifles came off yesterday afternoon on the Rideau Hills Range. By comparing the scores it will be seen that the "family" was again victorious, this time by a majority of 46 points. A very strong wind was blowing across the Range, which rendered good shooting difficult.

MID SUMMER CHEAP SALE!
R. L. JAMES & CO.
14 SPARKS STREET.
Opposite the Russell House.
As it will pay us better to dispose of certain classes of goods at a very low figure NOW than keep them over till next season, we are determined to offer Summer Goods at 15 to 25 per cent under the lowest Ottawa prices for New Goods.
MILLINERY, MANTLES, LACE SHAWLS, WHITE BRILLIANTS, JAPANESE SILKS.
(Rich Elegant goods, 90c. per yard)
GROS DE SUÈZ
(Rich Col'd Corded Silk \$1.25)
Black & Cold, Glacis and Gros Grain Silks &c. &c.
It will be evident to any one who will take the trouble to examine these goods that they are by far the cheapest offered to the public this season.
R. L. JAMES & CO.

FOR SALE
Valuable WHITE PINE LIMITS. Farms, some saw mill, with Pond and twenty six acres of land attached thereto, two one hundred and thirty acres of land in the townships of Hull opposite the city of Ottawa, and fronting on the Ottawa and Gatineau Rivers, hay, lumbering implements, &c. &c. The above is a very desirable property and will be sold by PUBLIC AUCTION at the rooms of H. C. McLEOD, Esq., on MONDAY THE 26th OF SEPTEMBER NEXT, at 12 o'clock noon. The steam saw mill known as Le-roy's Mill, is situated at the Government Boom on the Ottawa River, near its junction with the Ottawa, and contains 200 and 250 horse power machinery, and is capable of sawing from 8,000 to 10,000 ft. per 24 hours. There is also a twenty-six acre lot of land attached to the Mill, affording ample room for other mills, with large planting grounds, together with mill pond capable of storing from 150,000 to 200,000 logs and right of booms at a rate. The limits are known as the Penechango and Jean de Terre, being situated on the Penechango and Jean de Terre Rivers, both tributaries of the Ottawa River. The Penechango contains from 17 to 20 square miles, and the Jean de Terre about 50 square miles. Both are well wooded and contain a fine Pine of a superior quality, and large areas of land under cultivation, and the Penechango is supplied by the Jean de Terre limits, and contains 200 and 250 horse power machinery, and is capable of sawing from 8,000 to 10,000 ft. per 24 hours. There is also a twenty-six acre lot of land attached to the Mill, affording ample room for other mills, with large planting grounds, together with mill pond capable of storing from 150,000 to 200,000 logs and right of booms at a rate. The limits are known as the Penechango and Jean de Terre, being situated on the Penechango and Jean de Terre Rivers, both tributaries of the Ottawa River. The Penechango contains from 17 to 20 square miles, and the Jean de Terre about 50 square miles. Both are well wooded and contain a fine Pine of a superior quality, and large areas of land under cultivation, and the Penechango is supplied by the Jean de Terre limits, and contains 200 and 250 horse power machinery, and is capable of sawing from 8,000 to 10,000 ft. per 24 hours. There is also a twenty-six acre lot of land attached to the Mill, affording ample room for other mills, with large planting grounds, together with mill pond capable of storing from 150,000 to 200,000 logs and right of booms at a rate. The limits are known as the Penechango and Jean de Terre, being situated on the Penechango and Jean de Terre Rivers, both tributaries of the Ottawa River. The Penechango contains from 17 to 20 square miles, and the Jean de Terre about 50 square miles. Both are well wooded and contain a fine Pine of a superior quality, and large areas of land under cultivation, and the Penechango is supplied by the Jean de Terre limits, and contains 200 and 250 horse power machinery, and is capable of sawing from 8,000 to 10,000 ft. per 24 hours. There is also a twenty-six acre lot of land attached to the Mill, affording ample room for other mills, with large planting grounds, together with mill pond capable of storing from 150,000 to 200,000 logs and right of booms at a rate.
