

The Ottawa Times. Office 1 38, Sparks Street.

TUESDAY, AUGUST 16, 1870. The war correspondent of the London Daily Telegraph is the Hon. Frank Lawley, brother of Lord Henlock.

The Globe's Ottawa correspondent says that the action of the Privy Council has of been worth a reference." Then why is he all the time telegraphing in reference

Nearly all the clover which was sown in the County of Hasting last spring, and rebe white clover. The dealers in that seed have evidently been humbugged by their foreign agents.

The whereabouts af the Prince Imperial is still in doubt. The London Telegraph, which has more intimate relations with 12,765 should have remained here, seems the French Court than any of its English contemporaries, announces that it has authority to contradict the report that the Prince is in London. On the other hand the Echo asserts "without qualification" that the Empress Eugenie and Prince Imperial are in lodgings at St. John's Wood !!

Miss Lydia Thompson, the blonde, is tation of nextinguishable affection. This lands to give away to industrious immi mania culminated in a fight between the grants, but unfortunately, until very rein the police court the next day.

ceived at Pointe-aux-Peres by a number of ated figure of speech, for even among peo the leading citizens, headed by M. Martin, ple who might have been expected to know Tessier, Senator: On Sunday after Mass, much like it, was the opinion entertained an address signed by all the principal men of this country but a few years ago. A year or of the place, without distinction of party, two since, an Englishman new living in was presented to him by M. Hudson, Q.C., Canada, mentioned to a fellow country man Mayor of the town. Sir George replied in In New York, where he was then residing, his happiest strain.

may be divided into two classes—those "the great business of the inhabitants was but took part with the North in the l te and aid to the parents of the little still college."
