their goods, and in some instances sent them over to New Edinburgh. Steamboats, barges, horse boats, scows and punts were laden with chattels, women, children and men-the latter making flight instead of attempting to battle with the approac' ing fire on that fearful day. The sturdy farmers of Templeton, however, notwithstandf P U ing their sad losses, saveil the precious village, and its male. (?) inhabitants were enabled to return to their respective homes with a fair prospect of security.

THE CITY, SATURDAY .- The excitement in the city on Saturday had greatly abated in omparison to the degree which it reached on Friday, yet there is great interest evinced in everything done, and every step taken in connection with the fires, Nor notwithstanding the effectual check which the fire has received, are people easy as to the safety of the city. We are personally aware of the fact that several persons left on this morning's train, solely mily of Aylmer, seven different tire. Several merchants in the city have Frday, and the fire was with great portions of their goods packed up, prethere should be occasion to do and we know a few cases in which quantitiqs of goods, have been removed to what the Relief committee continued, was considered a safe locality. Though the fires are still ragin, in some quarters, by the fires. They went where the city has been comparatively free of smoke to-day. Some of the Fire Companbattling the flimes, and the city authorities are untiring in their exertions.

A Good ONE. On Friday a few memplace at the City Hall to- bers of the relief committee were sent to p.m., for the purpose of the Gatineau point to enquire if there he best means of affording were any destitute. We may state that is sufferers by the recent fires. the firmers in rear of the v llage are, or DEATH.—Thomas Leonard, a were generally, well t do; but the village have little to lose.
