The points; at 400 yards, 5 shots, 18; at 100 of capitulation at the end of that time Cuirassiers charged upon the forest, but yards, 5 shots, 18; at 500 yards, 5 shots The French refused. The inhabitants are every tree concealed a Prussi in, who fired 15. Captain Harder seems the crack snot. with a certain aim. Then begin the rout. Shrieks of women and children are dis- The Haguenau roal was covered with fugi-Islands are in this city increasing fire of the enemy. Night began to fall, adding darkness to other causes of disorder. Amid cries, expostulations, oaths, it became an infernal gallop towards the railway station of Brumath. That is what I saw, and in the midst of which I pursued my way. I hope that the disaster may be less severe than it appeared to be :

along nearly the whole length of the river

GENERAL CHANGARNIER AND THE EMPEROR

General Chang arnier in the following man ner :- An aged man dressed in grey trousers, with straps, and a closely butt ned great coat, his hat sunk in his shoulders crossed the anxious and disturbed town o wetz, and, coming from the railway sta tion, bent his course towards the prefecture. A steady rain came down towards Enthusiasm and rejoicing continue here nightfall and drove the spy-hunters into question would scarcely have seached his and ready sale, and which leaves no bad stor destination without hindrance. On arri ving at the prefecture, he entered the court yard, ascended the steps, and found pimself before a Cent Garde, of whom enquired for the usher. The soldier looked at the old man so wet and muddy. Per haps he would have refused him admit Young Men's Christian Association | tance, had he not experienced that in pression, well known to soldiers, which those who are accustomed to obe recognize those accustomed to comma ly, who, when he saw the visitor, obeyed him with even greater readiness, so p.m., at which the following topics will be the Emperor. This rame had a magical 1. "The strength and weakness of dered the General to be immediately ad-Young Men's Christian Associations,"-to mitted.
