MALTHAM TALTHAM THE AMERICAN WATCH The public of the United States and Canada

Ottaws. September 21, 1870 . 1468

have now had over ten years experience of WALTHAM WATCHES, and they are now every-TIME-KEEPERS! Almost all other watches are sold under false protences; not one in a bundred bears the name of the real maker; the public have absolutely no security, and have, therefore, been constantly imposed upon. On the contrary, every buyer of a Waltonm Watch ge's a guarantee of the company, and co mater from whom he bays it, has ositive security that he is getting a Tlaik-It must be admitted that the apparent luteres of watchmakers lies in selling other watches, on which they can make larger profits: but men of enterprise in the trade preter an article of large and ready sale, and which leaves no bad stock. It is "small profes and quick returns."

Those watches can be had in several grades (all guaranteed), the silver caser are made from coin silver, and from 2 to 6 ounces in weight. The BRESS GOODS, gold cases are made in is caret, old, and from I

3.4 to 4 opnces in weight; the size for ladies are richly engraved or examelled. For the quality, both in gold and silver, are the CHEAPEST WATCHES IN THE WORLD These watches can be ordered of any reliable watchmaker or jeweller in the Dominion; but the guarantee of the Company should be invariably required. The Company in all cases pay the Government duty, which makes the Conadian consumer a privilged purchaser.
