times as well as I could, for the pain and burning thirst had the upper hand. At last both of them ran up to me, and with joy I recognized the doctor and hospital attendant of my company. Where are attendant of my company. Where are

The battlefields are invested with wretches who pillage the dead. One of whissed round us; one struck the doctor's these human ghouls, or "battlefield helmet, and immediately I felt a violent hyenas," as the Germans call them, was "Another wound! With deficulty I was turned round, to look for the outlet of the bullet, but it was still in my body, mear the spine. At last it was out out

attendants, whom I commissioned to send the Lutzower Platz, in Berlin, is an interesting enterprise. Six weeks ago the ground on which it stands was a barren. stubble field, but now it is covered by five immense long sheds, in which during the last three weeks 60,000 sausages have been made daily, which, composed of peas and lay alone with my own thoughts, amid the salt meat, afford a strengthening diet for

A correspondent of the Boston Journal

"Paris was in ferment; it was high noon, and I found all my French acquaintances livid with excitment The advance was appearing, and some Prussian prisoners were on the streets, being paraded up and down. I rushed to see them. Near the American cafe, yes, even the celebrated Peter's shrine of Bacchus and Ashrodite, stood one of the eigh famous Uhlans, dismounted, wounded, abused, but not
