

The Ottawa Times.

marci 38, Sparks Stree

SATURDAY, OCTOBER 29, 1870. We understand that the rumour of certain important changes in the Department of Agriculture has no foundation in fact.

of their honesty and ability. We regret to find a man of Mr. Macken-It seems that the fall elections in New zie's position descending to coarse personalstrations to which we in Canada are hap- ities which are alike unworthy of him and ages perform the obligations attaching to strangers. The city of New York in of the country. We are sorry to find him their office; and there is no place more with Dousy. relately gives a Democratic majority, and falling back upon the old custom of calling than Ottawa where the discharge of this President Grant evidently thinks it is names, which we hoped and believed had have a high mission. If you strike the time this state of affairs was changed. Ac | passed away with the "petty politics of the "Corruptionists," no matter where you ordingly the plan which was lately tried past." Now, when such mighty issues are find them, take my word for it the public with so much success in the State of North at stake, and when the destinies of half a will applaud you. Having once put your Curolina is to be repeated to some extent continent are confided to our charge, men look back until you have effected a comin the Empire City. Four thousand who aspire to the rank of statesmen should plete civic reformation. Surely the popuregulars bliers have been massed in and learn to abjure those personalities and lar sentiment of Ottawa will sustain you. ground the city who are to stand guard abusive epithets which savour so much of ver the ballot boxes on election day, the village politicism. We have shown what thile Federal officers will be expected to have been the results of the policy pursued do all they can to help the Republican by the present Government during the ticket. The fact that General Terry, who past three years; we have shown that has just concluded the work of military great social and political progress has been reconstruction in Georgia, has been or made, and that the work of Union which thousand of the Mormon Church have dered to assume command in New York, the Administration were charged to carry more than one wife. out has been pushed forward with uninter-President Grant is prepared to pursue i Very soon the military despothat the Ministry are "steeped to the lips tism which the people of the Northern in corruption," and that all the political States helped to establish in the South, will honesty in the country is centred in himdestroy their own political freedom. self and a few other members of the Opposition. But bare assertions of this kind

"DEEDS NOT WORDS"

We do not believe that Mr. Mackenzie it he course of his "missionary tour" will succeed in making many converts. He is unfortunate in not having any great political principle to serve as a rallying cry wherewith to mimate his followers. In the face ity of Canada, and doubts our ability to of the unexampled prosperity which prevails throughout the length and breadth of works which are among the necessities of Canada, it is difficult even for an orator our position. The Express says :-Mr. Mackenzie's eloquence and persuasive powers to make people believe that the country is going headlong to ruin, or that far wealthier nations. The Intercol the men who have thus far guided the Railway, their proposed canal system, the treal and elsewhere, and now this new Pa capable. We readily admit Mr. Mackenzie's ability, and we are willing to credit him with a far larger share of poli- to outsiders to be a greater weight than than is possessed by they will be able permanently to carry." most of the leaders of the Opposition. not a single great principle to advocate in opposition to the policy of the Government, pelled to content himself with vague un for the Intercolonial Railway the greater ters, is not likely to make many converts. will be fully made up by the development The people of Canada require something of fresh resources which will result in conmore than this now-a-days. They have sequence of the construction of the line. For acquired the habit of thinking and acting our proposed canal schemes and the new the results which their policy has proachieved during the past three years, they give the country, and the evidence which appeal with every confidence to the people of Canada for that support which Mr.

Mackenzie asserts they no longer deserve.

So far they have graphs: Five days ago General Caffinieres, on the Zota in the Lieutenant file a few days ago. So far they have graphs is the Lieutenant file a few days ago. So far they have graphs is file a few days ago for the Zota in the Z graphs: Five days ago denoted fortress of Great Britain or Canada, no one doubts in all the Departments this was

in very close relations with the rootall at St. Joe, four days ago, but it appears to Peninsular, a daughter of Victor Emanuel at St. Joe, four days ago, but it appears to Thereupon Bazaine ordered the outposts of any consequence is that of jurisdiction be getting warm for him even there, as he to cease firing on the Prussian pickets during peace," and concludes by agreeing was shot at, report says, six times in one and allowed his men to desert in groups with its correspondent in thinking Mr. George McVicar, of Fort William, ar. made during the night towards Grave- ment and its revenue officers as any part of lotte, as Bazaine's offers to capitulate with Canada; and that any seizures made by be illegal." Here is precisely the point. The outbreak was to be made without And it being the fact that the Canal is RIBBONS "within the jurisdiction of the Canadian simply to enable superfluous mouths to get Government and its revenue officers as beyond the German lines and force, than 'much as any part of Canada," there can no longer be a doubt that the United States By this means it was intended to hold officers made an illegal and unjustifiable rison, but at 7 in the evening Bazaine had Little's boats, had them sent to Detroit, that the bloodshed recessarily attending in an inexcusable manner invaded Canadian pay for a few weeks prolongation of resist- dian trade. We trust our Government will without unnecessary delay see to it A messenger was then sent to Prince that Mr. Little's vessels are released, and This was the first proposition made for have been put to by American Revenue

DIED.

'At Ottawa, on 28th instant, Emily A. Lyon, fifth daughter of the late George Lyon, Esq., of PRINTS, Richmend, Ont.

The funeral will leave the residence of her brother, Robert Lyon, Esq., on Theodore st., on Sunday, at 8 o'clock, a.m., for Richmond. Mr. Michael Scanlan, aged 51 years. Friends and acquaintances are requested to at-

BATALTHAM

AMERICAN The public of the United States and Canada have now had over ten years experience of WALTHAM WATCHES, and they are now every- every possible advantage where acknowledged to be the ONLY RELIABLE

TIME-KEEPERS! Almost all other watches are sold under false of the real maker; the public bave absolutely no security, and have, therefore, been constantly imposed upon On the contrary, every buyer of a Waltham Watch gots a guer nice of the company, and no matter from whom he buys it, has positive security that he is getting a TIME-

It must be admitted that the apparent interes of watchmakers lies in selling other watches, to which they can make larger profits: but men; enterprise in the trade preter an article of large and ready sale, and which leaves no bad stock These watches can be had in several grades

gold cares are made in 18 carat vold, and from 1 3.4 to 4 ounces in weight; the size for ladies are richly engraved or enametled. For the quality CHEAPEST WATCHES IN THE WO. LD guarantee of the Company should be inva ably required. The Company in all cases pay the Government duty, which makes the Canadian

consumer a privilged purchaser ROBERT WILKES, ole Wholesale Agent for the Dominion of Cap de Toronto-48 and 50 Youge Street.
