ELECTRICITY IS LIFE

PULVERMACHER'S PATENT

GALVANIC CHAIN-BANDS

BELTS, AND POCKET BATTERIES.

These highly improved inventions render Electricity perfectly self-applicable, and extremely efficacious in a mild continuous form, no shock or unpleasant sensation being experienced, whereby it becomes a true fountain of health and vigour, speedily soothing agonising pains, reanimating torpid limbs, reviving the sluggish functions of life, and imparting renewed energy and vitality to constitutions enfeebled by whatever cause. Medicines and their deleterious consequences are thus entirely dispensed with. The daily increasing number of cures effected by PULVERMACHER'S MEDICO-GALVANIC SYSTEM is so extensive and varied, that it forcibly points to this invention as the embryo of a universal remedy.

N. B.—The following testimony from the elite of the English medical faculty has been received:

"We, the undersigned, have much pleasure in testifying that Mr. J. L. PULVERMACHER'S recent improvements in his Voltaic Batteries and Galvanic Appliances for Medical Purposes are of great importance to Scientific Medicine, and that he is entitled to the consideration and support of every one disposed to further the advancement of real and useful progress.

"Dated the 9th day of March, 1866.

"SIR CHARLES LOCOCK, Bart., M.D., F.R.C.P

"SIR HENRY HOLLAND, Bart., M.D., F.R.S.

"SIR WM. FERGUSSON, Bart., F.R.S.

"EDWD. H. SIEVEKING, M.D., M.R.C.S.

"SIR J. RANALD MARTIN, F.R.C.S."

PULVERMACHER'S SYSTEM is also approved of by an official report of the Academie de Medicine, Paris, Royal College of Physicians, London, and the Imperial Faculty of Vienna, and its curative virtues are confirmed by thousands of private testimonials of cures effected. (See pamphlet gratis).

These facts appeal to the good sense of every sufferer to avail himself of this scientific and curative progress, to which the inventor has devoted a life-time of study and labour, as an ardent deciple of that great benefactor of mankind, the late illustrious electrician MICHAEL FARADY.

PULVERMACHER'S MEDICO-GALVANIC CHAINS are exceedingly effective without the aid of medicine, restriction of diet, or the least derangement of the patient's habits and daily occupations, in the following maladies:

Rheumatism	Female Complaints
Gout	Constipation
Sciatica	Cramp
Lumbago	Sluggish Circulation
Neuralgia	Urinary Disorders
Head and Toothache	Paralysis
Liver Complaints	Epilepsy
Tic Doloreux	Nervous Debility
Indigestion	Functional Disorders
Deafness	&c., &c.
Spasms	

The effects of the application of Pulvermacher's Chains in any of the above disorders is immediately perceptible—the relief of pain instantaneous.

PRICE LIST OF PULVERMACHER'S CHAIN BANDS AND BATTERIES.

B. CHAIN BANDS for Nervous Deafness, Head, Tooth, and Face Ache, and Noises in the Head, 21s. to 30s.

B. CHAIN BANDS for loss of Voice and other affections of the Throat, 10s. 6d. to 21s.

B COMBINED CHAIN BAND for Cantil, Paralysis, Epilepsy, General Debility Functional Disorders, &c., 30s to 50s.

A complete Set of COMBINED CHAIN BANDS, BELTS, and CHAIN BATTERY for restoring vital energy, £5 to £7.

The public are most earnestly cautioned to beware of Pseudo Electric Belts advertised by sham Doctors, &c., for improper purposes, and so severely stigmatised by Vice Chancellor Malins in the suit Pulvermacher vs Hammond, alias Henry James, alias C. T. Raphey, M. R. C. S, alias Henry Burrows, &c, &c.

No Galvanic Belts are genuine but those bearing the fac simile of M. Pulvermacher's signature on the label.

A pamphlet containing full particulars may be had at the Drug Store of A. Christie, Sparks Street.

Trask's Magnetic Ointment in my practice a number of years, and can say with pleasure I deem it one of the greatest discoveries of the age; for the cure of Inflammation of the Lungs, Inflammation of the Bowels, Inflammatory Rheumatism, and in Childbed Fever, it operates with perfect success. In cases of Burns, Bruises, Frost Limbs, it acts like a charm.

DR. J. P. KENNEDY, of Chittenango, New York, says: "It has stood the test of trial, and has not been found wanting. Its astonishing cures of Inflammation of the Lungs and Croup and the wonderful success in subduing the tortering pains of Rheumatism, and relieving Nervous Affections, entitle it to a high rank the list of remedies for these complaints."

DR. A. W. BELDING, of Knowlesville, New York says: "I have used it in severe cases of Special Irritation and for the worst cases of Piles, and sundry other complaints, and find it a superiors article, and well worthy the notice of all."

Purchasers should be sure and ask for Dr. A. Trask's Magnetic Ointment, and see that the words "A. TRASK'S MAGNETIC OINTMENT" are on the wrapper.

Eugenie to Napoleon.

The following letter from the Empress Eugenie to her husband must be of interest at the present moment. As will be seen, it was written during Her Majesty's travels in the East, when she went to open the Suez Canal. A few sentences which relate to political matters, and speak of *coup d'etat*, may throw some light on the domestic opinions of the ex-Emperor:

On Board the 'Imperatrice' in the Nile.
October 27, 1869.

MY DEAREST LOUIS,—I wrote to you *en route* upon (word illegible) on the Nile To tell you that we are enjoying fresh breezes (*que nous avons frais*) would not be absolutely the truth; but the heat is tolerable, for there is some air, but in the sun it is quite a different thing. Besides, I tell you the state of the atmosphere by telegraph. Through the same means I have news of you and of Louis every day: it is marvellous and pleasant to me that I am always fastened to the dear shore by this wire, which joins me to all that I love. I am delighted by our charming journey, and I would like to give you a description of it; but so many durators, more learned and clever than I, have undertaken this task, that the best thing, to my mind, is for me to shroud myself up in mute admiration. I was very uneasy all day yesterday thinking that

YOU WERE IN PARIS WITHOUT ME,

but all has gone well, as I see by the despatch. When we see other nations, one judges and appreciates much more the injustice of our own. I think, in spite of everything, that we should not be discouraged, and that you must advance on the path you have inaugurated (*et marcher dans la voie que as inaugure* [*sic*]); good faith on concessions that have been made is, I may tell you, people think and say (*on la pense et dis* [*sic*]), a good thing. I hope, then that your address will be in this direction; the more you will need force in the future, the more it will be necessary to prove to the country that you have (*qu'on a* [*sic*])

IDEAS AND NOT EXPEDIENTS.

I am, since my departure, very far away from, and very ignorant of affairs to speak thus: but I am firmly convinced that a coup once in ideas is true strength. I do not like *a coup* (*sic*); and I am persuaded that one can't effect a *coup d'etat* twice in the reign. I speak at random, for I am persuading a man already convinced of what he knows more about than I. But one must say something, if it were only (*ne fut ce* [*sic*]) to prove what you well know—that my heart is near you both, and that if in tranquil days my vagabond mind likes to wander through space (*dans l'espaces*) in those of anxiety and disquiet, my place is by the side
