New York papers please copy.

The public of the United States and Canada have now had over ten years experience of WALTHAM WATCHES, and they are now every where acknowledged to be the ONLY RELIABLE TIME-KEEPERS! Almost all other watches are sold under false

pretences; not one in a hundred bears the name of the real maker; the public have absolutely no security, and have, therefore, been constantly imposed upon. On the contrary, every buyer of a Waltham Watch gets a guarantee of the com pany, and no matter from whom he buys it, has paitive security that he is getting a TIME It must be admitted that the apparent interes of watchmakers lies in selling other watches, o which they can make larger profits: but mea; enterprire in the trade prefer an article of large and ready sale, and which leaves no bad stock It is "small profits and quick returns." These watches can be had in several grades

oin silver, and from 2 to 6 ounces in weight. The gold cases are made in 18 carat vold, and from a -4 to 4 onnes in weight; the size for ladies are richly engraved or enametted. For the quality. both in gold and silver, are the CHEAPEST WATCHES IN THE WORLD These watches can be ordered of any reliable in September. watchmaker or jeweller in the Dominion; but the guarantee of the Company should be invariably required. The Company in all cases pay the Government duty, which makes the Canadian consumer a privilged purchaser
