Orders have been received at the Brooklyn navy yard from the Navy Department over one hundred thousand boxes a year. pacities of the Board, I may say that the the River Yonne. His columns converge at Washington, to fit out for sea, with all possible despatch, the frigate Minnesota, gate Tennessee, second rate, 23 guns, 1,225 tons; and frigate Shawmut, fourth rate, 410 tons. In consequence of this order there are signs of unusual activity in the navy spectable stores throughout the Province, yard, and it is more than likely that an adon to complete the work as early us pos-

> WASHINGTON, 14th .- On Friday last the President directed Secretary Fish to send a cable despatch to London peremptorily recalling Motley as Minister to England; BERLIN, Nov. 15.—Negotiations looking Mr. Morgan to act as Charge d'Affaires 500 BRLS. APPLES, until a new Minister is appointed. The President gives as a reason for this immediate action the necessity for an instant decision on the Fishery controversy with Canada, and other differences with the British Government, which he does not feel inclined to trust to the management of Mr. Motley.

British Shipping.

An English paper says : The war has exercised a favorable effect The steamer Westphalia, which sailed on upon British shipping. Thus we find that, the 2nd inst. for New York, took retuge on whereas the tonnage for British vessels enthe 10th instant at Cuxhaven, owing to the | tered at British and Irish ports in June movements of the French fleet at the last was 926,806, the tonnage of those entered in July was 1,052 667, and in Au-It is said that a number of documents gust, 988,437. For foreign vessels the tonnage entered was 490,255 in July, and 451.368 in August. As regards vessels that cleared our ports, there was but a slight increase in British, and a small diminution in foreign shipping. The shipping. Last month only 60 Prussian vessels entered British ports, as compared with 240 in August last year. Only 16 vessels from the Hanse Towns entered, which cleared our ports. There were only 11 Prussian vessels as compared with 277 Hanoverian vessel, as compared with 79 Now, sir, it was I who reported the pro- VIENNA, Nov. 15 .- Great enthusiasm was last year; 11 from the Hanse Towns, as ceedings of the meeting referred to, and I cre t dat the Bourse here by the announce- against 83 last year; and none from Meck-
