LOCAL NEWS.

Devlin's Fur Depot.

Is Indian Summer to come yet? Some weather prophets contend it is.

A very well built grey horse was sold on the market yesterday for $116. Horses bring very good prices at present in Ottawa.

TRAINS DELAYED BY THE SNOW.—Yesterday and Wednesday trains were delayed by the snow. The mails were not delivered until about two hours after the proper time.

LECTURE.—The Rev. Mr. Stephenson delivered another very eloquent lecture to a very large audience yesterday evening in the Basement Hall of the Wesleyan Church Bank street.

STREET CARS.—The street cars did not run well yesterday, owing to the snow on the track, and their absence from the streets is greatly felt both by carters and persons who appreciated the accommodation which they afforded.

JACKETS.—A large stock new stylish jackets, at moderate prices, at
GARLAND, MUTCHMOR & Co.

BLANKETS.—Cornwall, St. Lawrence and Empire Mills Blankets, in all sizes and weights, very cheap, at
GARLAND, MUTCHMOR & CO.

SNOW SLIDES.—At noon yesterday a large quantity of snow slid from the roof of the Russell House and fell with great force on the head of a gentleman pedestrian. Happily there was no ice among the snow or the result might have been serious. As it was the terrified gentleman came forth white with snow and fear.

OTTAWA LITERARY AND SCIENTIFIC SOCIETY.—This Society will hold its second regular meeting this evening, when a very interesting paper will be read by P. Sulte, Esq., subject—Historical notes on early Canadian Currency. The admission to those instructive meetings is free, and they should be largely attended.

All Wool Tartans in all the leading clans. A large lot ex last steamer, at
GARLAND, MUTCHMOR & Co.

BOARD OF REFUGE.—The managers of this institution have appointed the 26th instant as day of thanksgiving for the success which has attended their benevolent efforts. They desire all Christian friends to join them on that day at the institution, Augusta street, when, after service an account of its progress will be given.

ARRIVALS at the Russell House yesterday were: Wm Robinson, Galt; J MacDougall, Montreal; J B Dickinson, Ogdensburg; J Brown, St Clair Flats; J A Gunn, Montreal; H Robertson, Quebec; D Symes, Rimouski; Major A Taschereau, DC, Quebec; M K Dickinson, Manotic; S B Day, Montreal.

50 dozen Velveteen Hats, from 25 cts upwards. A large assortment of Tippers and Feathers. Trimmed Hats and Bonnets.
At the "Golden Lion."
R. L. JAMES & Co.

THE GOWAN'S HALL READINGS.—Mr. Walsh, M. P., for Norfolk, will take the chair this evening, and a number of the best amateur singers and readers in the city will contribute towards the entertainment of the audience. At the previous readings in this fine and conviently situated hall, the boys were creditably quiet and well behaved, and it is hoped they will not be less so to-night.

UNLUCKY SWIMMING.—Wednesday evening a young man was getting off a craft at the canal basin his foot slipped on the "beautiful snow" and was plunged into the icy water of the canal. After floundering about for a while he was pulled out looking dreadfully chap-fallen, and naturally enough very cold. He had to remain in his uncomfortably wet clothes until he reached his hotel down town.

Rivalry exists everywhere and among the devotees of every line of business: therefore butchers are included, the category. A couple of butchers on —— street are particularly remarkable for the efforts which they are making to out rival one another. The competition has come to such a stage that one of those sanguinary gentlemen has declared to his customers that he gets his meat for nothing and can sell it for the same price. He sells sausages.

Mr. Mutchmor, of the firm of Garland & Mutchmor, left yesterday for England to purchase goods for their old establishment, and also for the new wholesale store which they intend opening in the Spring in the Champness Block, Sparks street. This enterprising firm have rented the whole of the centre building in this handsome block as a wholesale warehouse. This is another evidence of the healthy state of trade in Ottawa and of the general prosperity of the country.

CHAUDIERE.—All the mills are now shut down at the Chaudiere, and the locality wears a very dull appearance. No laborers are to be seen about with the exception of a few employed in drawing the last loads of boards to the piling grounds.

A number of men in the employ of Captain Young are engaged in taking away the old dam at the north side of the slide passage, a new dam having been built, and some of the mills are undergoing a general course of repair.

NOTICE.—Now is the time. Go and see C. P. Dorion, 60 Sparks Street, for stoves and stove-pipe fitting. No puff; but see for yourselves. Lumbermen and country Merchants come and see. The most complete House in this Line in the Capital, See Posters. C. P. Dorion, 60 Sparks Street. 1486 2m.
Devlin's Fur Depot.

HULL READINGS.—In our report in yesterday's issue of the Hull readings we omitted to mention that the Hull and Chaudiere Brass Band were in attendance and enlivened the proceedings by some good performances. The music and singing, apart from the band, were by Mr. Mercer, Miss Jennie Boland, Miss Meade and Miss Taylor. Miss Boland was particularly loudly encored.

The readings were by the Rev. Mr. May, Messrs. Wm. Washburne A. Washburne and H. Loucks. A pleasant evening was concluded by the singing of the National Anthem.

ROADS.—The frost and a slight fall of snow on Wednesday night has made sleighing very good in the city. Pleasure sleighs have been numerous in the streets all day, and no doubt in addition to the novelty of the thing the weather was very fine for such indulgence.

The roads in the country however are by no means in a condition to admit the summer vehicles being yet superseded by sleighs. Sleighing is "capital" on macadamized roads, but on the common country roads a foot of snow is needed.

POLICE COURT.—Thursday Morning.—Thos. Parsons was found drunk on Dalhousie street last night about 12 o'clock. When discovered he was lying down speechless and nearly frozen from the effects of the cold, was fined $2 and costs.

Jas. Craig was found on Wellington street in almost the same condition, and had to pay the same penalty or go to jail for three weeks at hard labour.

Murdagh McCrae, drunk, dismissed.

Thos. Beechum, a builder, was charged with obstructing a portion of Sussex street with timber. The defendant claimed that according to the by-law he was entitled to take up a certain portion of it, and he contended he had not violated that privilege. His Worship thought differently, and gave him until Monday to remove the obstruction.

Devlin's Fur Depot.

There was a very good market yesterday morning. Waggons and sleighs with large quantities of produce filled the square and extended a good way up York street. Pork was very plentiful, and sold rapidly at from $7 to $8 per 100 pounds; and beef, of which there was an equally abundant supply, sold at an average price of $5. Potatoes were more plentiful than on previous days and were a shade lower in price, selling for 50cts. per bushel. Butter was comparatively scarce, but the price was the same as at last quotations. Turnips sold for 35cts. per bushel.

The hay market was abundantly supplied, but purchasers seemed unwilling to pay $20 per ton when they can get very good pressed hay at the Queen's wharf for $17 per ton. For a few loads of very good seasoned hard wood at the rate of $4 per cord was asked.

FURS AND FEATHERS.—There are very few persons in Ottawa who are not familiar with the name and pretensions of Mr. James Peacock. There was scarcely an individual in the city this past summer who had not a Peacock's feather in his hat, and nearly everybody had got that hat at Peacock's. Now is the winter of our discontent, when artificial heat must compensate for the lack of natural warmth; and Mr. James Peacock again plumes himself with the idea that even against that he has made ample provision. His stock of furs is great. Their quality after their kind is the very best. He has sables, minks, and martins, beavers, otters, muskrats, and racoons, the regal ermine and the democratic lynx. His caps and mitts, tippets and victorines, are of the latest patterns, and of every kind of skin. He has, in fact, arranged for a *plebiscitum*, and expects to be acknowledged as the most worthy of popular patronage and favor of any hatter or furrier in this rising city.

EUREKA!

THE BEST THING OUT,

IRVIN'S FUEL ECONOMIZER.

Thousands of Testimonials certify that they are without exception the best Drum or Dumb Stove ever invented to save fuel. We guarantee that one of these will save 30 per cent of fuel. We will place them upon any Stove, and after one months trial if not all that is stated, the Drum will be taken back AND NO CHARGE MADE.

Please allow us to place one on your Stove and give it a trial.

MR. THOMAS IRVIN, BROCKVILLE, ONT.

SIR,—The two Irvin Fuel Economizers which we caused to be placed on our propellors, "Eastern" and "Bruno," during the Fall and Winter of '68 and '69, have given entire satisfaction as to saving of fuel, combined with the great amount of heat thrown out, and have no hesitation in stating that it is the best heater for stoves we have seen as yet.

THE

DOMINION ALMANAC

FOR 1871

WILL BE PUBLISHED EARLY IN

DECEMBER

It is intended to serve as a convenient book of reference, and at the same time to be acceptable as an agreeable private companion. With this end in view, in addition to much valuable statistical information, a large amount of interesting reading matter will be found in its pages. The favorable reception which it met with last year, and the wide-spread circulation it obtained in Ontario and Quebec, justifies the hope that it will, this year, command a still larger share of patronage. In order to increase its circulation, and to render it still more valuable as an advertising medium, the price will, this year, be reduced to 10 cents per copy—considerably less than the actual cost of publication.

The following are the rates for advertising:

One Page at beginning or end of the Book.....	$15 00
Half do do	8 00
Quarter Page do do	4 00
One Page in body of work.....	20 00
Half do do	10 00

Every advertiser taking a page will receive 12 copies of the Almanac for distribution; for half a page, 6 copies; and for a quarter of a page, 3 copies.

Applications for advertisements should be sent in at once.

WALTHAM WALTHAM

THE AMERICAN WATCH.

The public of the United States and Canada have now had over ten years experience of WALTHAM WATCHES, and they are now everywhere acknowledged to be the ONLY RELIABLE

TIME-KEEPERS!

Almost all other watches are sold under false pretences; not one in a hundred bears the name of the real maker; the public have absolutely no security, and have, therefore, been constantly imposed upon. On the contrary, every buyer of a Waltham Watch gets a guarantee of the company, and no matter from whom he buys it, has positive security that he is getting a TIME KEEPER.

It must be admitted that the apparent interest of watchmakers lies in selling other watches, which they can make larger profits; but mere enterprise in the trade prefer an article of large and ready sale, and which leaves no bad stock. It is "small profits and quick returns."

These watches can be had in several grades (all guaranteed), the silver cases are made from coin silver, and from 2 to 6 ounces in weight. The gold cases are made in 14 carat gold, and from 3 4 to 4 ounces in weight; the size for ladies are richly engraved or enamelled. For the quality both in gold and silver, are the

CHEAPEST WATCHES IN THE WORLD.

These watches can be ordered of any reliable watchmaker or jeweller in the Dominion; but the guarantee of the company should be invariably required. The Company in all cases pay the Government duty which makes the Canadian consumer a present purchaser.
