DOMINION ALMANAU FOR 1874

DECEMBER It is intended to serve as a convenient book of reference, and at the same time to be acceptable as an agreeable private companion. With this end in view, in addition to much valuable statistical information, a large amount of interesting reading matter will be found in its pages. The favorable reception which it met with last year, and the wide-spread circulation it obtained in Ontario and Quebec, jus . tifies the hope that it will, this year, comman : a still larger share of patronage. In order to increase its circulation, and to render it still more valuable as an advertising medium, the price will, this year, be reduced to 10 combs per copy-considerably less than the actual
