GALVANIC CHAIN-BANDS BELTS, AND POCKET BATTERIES

These highly improved inventions render Electricity perfectly self-applicable, and . Itremely efficacious in a mild continuous form no shock or unpleasant sensation b ing .x perienced, whereby it becomes a true four tail of health and vigour, speedily so thin: agonising pains, re-ammatting torpid limbs, reviving the sluggish functions of life, and imparting renewed energy and vitality to constitutions enfeebled by whatever cannot Medicines and their deleterious consequences. are thus entirely dispensed with. The daily increasing number of cures effected by PULVERMACHER'S MEDICO GALVAN-IC SYSTEM is to extensive and veried, that it forcibly points to this invention as the embryo of a universal rem dy N.
