TO THE PUBLIC. "

Ottawa Cimes.

WEDNESDAY, DECEMBER 14, 1870. For in cresting reading matter see

We are informed that Mr. P. A. Eagleson has been requested to accept a seat that he has consented to do so. Mr. John Stuart of St. George's Ward is also spoken of as a condidate.

the Globe reproduced says, that the organs of the government "have charged disloyalty upon a majority of the men of Ontario." This is a wicked and malicious unoraries to quote a single extract from a Min.sterial journal in which any such accusation has been made.

A COMPARISON.

discovery, that "at no great distance of not be such a bad Government after all. value for it, but the Opposition Lieutenant. time, certainly not so far off as to be anticipated with unconcern or indifference." strive to deceive and boodwink the people the elections will take place, and then an but these are facts, palpable facts, which example retorted in a real little tale of the little tale of tale tale of the little tale of tale nounces another great truth, viz.: "that he cannot gainsay, and which, strive as he how a certain great man help ad Mr. Mc there is nothing novel or unusual in may, he cannot prevent the public from him for electioneering expenses, which tuons a distinct national policy, which there is nothing novel or unusual in may, he cannot prevent the public from him for electioneering expenses, which the occurrence amongst people enjoying understanding and appreciating. He may note he expected to have to pay. This charge understanding and appreciating. Lying alongside a powerconstitutional Government." But in the | villify the Premier and charge him | McKellar emphatically denied, and in the | villify the Premier and charge him | McKellar emphatically denied, and in the | villify the Premier and charge him | McKellar emphatically denied, and in the | villify the Premier and charge him | McKellar emphatically denied, and in the | villify the Premier and charge him | McKellar emphatically denied, and in the | villify t present instance we are told that the case with crimes and foibles of which evening's debate Mr. Blake read a letter distance by a desire to grow the Dorning is "more than ordinarily serious" in consecute the is innocent, but the people suppose anyone cares whether the charge in the light of this constant and Sir John A Marchaeld and Sir John A Marchae quence of Sir John A Macdonald and Sir of this country, we may safely rely upon the exact literal shape made is true or not, ish connection, usert a trade policy, not of George E. Cartier being in office, and, per it, will rather place confidence in a man and Mr. Smith has been attacked by some consequence, Mr. Seorge Brown left out in whose statesmanlike qualities are recogthe cold. Having thus stated the position of affairs, the Globe proceeds to use abusive Mother Country and in the neighbouring language, and to call bad names, according Republic, than in one who without thinkto its usual custom when neither facts nor ing or apparently caring about conse-

its management which is in all respects iticians in the vain hope of obtaining creditable to those concerned therein, and power and place. the consequence is that It enjoys a very large circulation in the Province of Unturio. Taking advantage of this fact, and knowing that every falsebood and calumpy contained in its columns will widely disseminated, and that many those who read them will never see them contradicted in other journ ds, the Hon George Brown, the purist, the man who talks about corruption and official wrongdoing as though he himself were a model of truth and uprightness, publishes what he knows to be utterly unfounded false and gives them to the readers of the Gl.be by Mr. Smith, and in which he intimates, office was accepted by Mr. Boyd, and I sup prompt and decided, of the North West field by the Mayor: "The orders of King as incontrovertible ficts. Many of these stories, more especially those which Mr. Brown lately invented about the Premier, h ve been proved by indisput the evidence to have been altogether untrue. Did Mr. Brown or his organ retract or apologize ? Oh no, that would not suit his purpose at all. The res lers of the Gobe must never drive them to the polls like brute beasts purposes. The who have no understanding, could tell on untruth or ev n m ke a mistake. So the m dicious slander is allowed to go without public sentiment which he my how. thereby he can corrupt them. effected by the misrepresentations and unfounted accusations which he has invented and made public.

present Alministration should no compelled to plod his way down to Sussex be not be broken by the broken of the br The chi-f argument brought forward longer be permitted to hold office, is that longer be permitted to hold office, is that the North West difficulty is by no means the North West difficulty is by no means the Premier nor longer be permitted to hold office, is that this day, which has but perhaps he and his colleagues are not but perhaps he and his colleague settle I, and that neither the Premier nor been so favorable for removing snow from entitled and he no doubt did not intend to active, energetic, untiring and resolute. he Minister of Militis are gifted with the sidewalks, has been allowed to pass clum the sole merit of so gratifying a recalm statesmanlike discretion," which away without anything having been done how this surplus is to be disposed of, and cur whole Financial position, working from how this surplus is to be disposed of, and al nable quality we are given to under- in the locality mentioned?
