St. Albans Church Annual Festival The annual congregational festival of St.

The large and comfortable basement or lecture room of the church was comfortably heated. tastefully decorated with evergreens, mot J Thorburn, toes &c., and was crowded by the old and young, rich and poor members of the e ingregation. The arrangements under the immediate control of the popular minister of the Church, the Rev. Ira Morgan, Esq., Warden County of Carieton, Metcalfe. The boiler in the jail nearly exploded It is so injured that it ean never be used gain. Stoves must be provided forthwith or the pipes will also be all burst. Besides it is absolutely necessary to heat the building on the prisoners account Until this is done they must be huddled together night and day in a long hall. W. J. POWELL,

It is only the truth to my had it not been for the presence of mind of furnkey Pinard a terrible explo sion attended with fital results would have portion of it has had from destruction will be paid to proper packing and delivery. THE CHRIST CHURCH AND CHAPEL READINGS and the inmates from the loss of their tives are as follows. Yesterday morning, about three o'clock, the prisoner in charge his room to tell him that there was "something wrong with the boiler, and he was afraid it was going to explode " Pinard PROVINCIAL immediately got up, and as quickly as possible proceeded to the boiler room, and many directions.
