Bangs, seconded by Ald. that a fair and equal assessment should be Heney, that a Special committee be mide. Had former City Councillors inthose who claimed exemption from assessment before the Revision Court and prove their right to that exemption? If not, were they not to blame rather than the Assessors? He had known the old Assess ors for many years, and had never heard word against them in Wellington Ward. He explained the Beament exposure case, The public were again numerously re- referred to by Ald. Rowe. He thought is was the faulty law in that case that was to blame, and not the assessors This last were, His Worship the Mayor in the chair, had since been repealed, and there were other repeals needed. The time had come for men to be assessed on their real income

> Ald. Mosgrove followed in an able defence of the Assessors, as chairman of the Assessment Committee, and explained the Alderman Woodburn - Until some

clearer cause of complaint was shown him he would vote for the reappointment of the old assessors. He strongly urged the necessity of the publication of the as-essment roll. As one of the Printing Committee he might be thought interested in making this suggestion. (Loud laughter). He had been through all of Wellington Ward. and had heard very few complaints against

and real estate.

COURT OF REVISION AND ASSESSMENT COM-Alderman Bangs had not heard the first word in Wellington Ward against the old assessors. Better men than the old asses sors he did not think they could get. Mr. O'Connor's motion embraced men all from Lower Town. Ald. Heney-There you go again Upper

Town versus Lower Town. Alderman Featherston explained that few years ago a suggestion had been made to have two men of high standing to takes proper assessment of the city. Why this was not done he could not say The question, was were the new men proposed more com etent than the old He did not think so. He reviewed the abilities of the new men. If they wanted a fair assessment taken of the city let them get two first-cl as men, and let them have a year to take the full value of the property of the city. He advocated the institution of a plan compelling all those assessed to send in a sketch of their buildings. This paid less taxes per head than the people of assessment of the city was lower than that of many cities in anada. This showed cities in Canada. But he thought there were many rich persons in the city who did me ns print, as Alderman Woodburn proposed, the Assessment Roll, The printing of this assessment Roll would show whe

again advocated the appointment of two responsible men to take the assessment The amendment was then put and de Moved by Ald. Fea herston, seconded by Ald. Rowe, that whereas at is expedient The draft of a p-tition of the Corporation to take immediate steps to further the of the City of Toronto for changes in the building of a newsbridge across the canal from Rideau to Sparks and Wellington streets; and also a new bridge across the the Gully in a line with Queen street ; and James Clarke and A. W. .ang were refer. slso a new bridge across the canal from Maria street to Theodore street; therefore that the City Clerk be instructed to advertise for plans or bridges to be built in said localities, the said plans to be accomp n e i by estimates of cost, and to be sent to the office of the City | lerk, on or before

Monday the 20th day of February next .-Ald. Featherston then moved, in effect, that a Committee be appointed to wait upon the Minister of Pu lic orks to ascertain what assistance could be obtained in the construction of the bribge over the C nal to connect dide a and Sparks and Wellin gton stre-ts.-Carried.

Moved by Ald. Festherston, seconded by Ald, Mosgrove, that the moten appointing the assessors be considered at a the by-law to appoint assesors be filled up special meeting to be held on Mon lay next, with the names of D. M. Grant, William at half-past 7, and that His Worship the Mayor be requested to call the meeting. Ald. Martineau said that ample time and opportunity had been given the Board

to consider the motion appointing the assesors, and surely they would not now go for a reconsideration of their votes. the opportunity had been given them to property should be taken. It was time do so by his motion, but as the new Board they knew the value of their city property. believed the time had come for reforms Complaints had been made by rate payers probably that was the opening of their old books should be set aside and new they had done wrong the blame is with campaign. If in supporting the motion books opened. Let them have honest, themselves, and he hoped they would not Ald. To illon would not go for the recon sideration of the motion, nor would be alter his vote under any influence Ald. Bangs thought Upper fown was

pointed were from Lower fown. Ald. Hency thought five heads were the assessment act be filled with the names not shrink from the vote they had taken. Alds. Featherston and Mosgrove followed in support of motion for reconsideration, which was put and curied on division. The Council then adjourned.
