Oity Hall, Ottawa,

THE AMERICAN WATCH The public of the United States and Canada have now had over ten years experience of WALTHAM WATCHES, and bey are now everywhere acknowledged to be the ONLY RELIABLE TIME-KEEPERS! Almost all other watches are sold under falce pretences; not one in a bundred bears the name of the real maker; the public have absolutely no security, and have, therefore, been constantly imposed upon On the contrary, every buyer of a Waltnam Watch ge's a guarantee of thearem.

pany, and no matter from whom he buys it, bas REEPER. It must be admitted that the apparent interest of watchmakers lies to selling other watches, of which they can make larger profits; but men f enterprise in the trade preter an article of large and ready sale, and which leaves no bad stock It is "small profits and quick returns." These watches can be had in several grades (all goaranteed) the silver cases are made from coin silver, and ram 2 to 6 ounces in weight. The gold cases are made in 1 serret old, and from t 3.4 to 4 ounces in weight; the size for ladies are richly engraved or enametted. For the quality, both in gold and silver, are the CHEAPEST WATCHES IN THE WORLD

Have commenced selling off their entire These watches can be ordered of any reliable wat bmaker or peweller in the Dominion; butthe guarantee i the company should be invariably required. The Company in all cases pay the dovernment duty, which makes the Canadian consumer a privilged purchaser ROBERT WILKES, sole Wholesale Agent for the Dominion of Cards
