Cure of Bronchitis.

Smithfield.

J C Chamberlain, Esq—This is to certify that about three years ago I became afflicted with Bronchitis, which lasted about eighteen months. I was so afflicted for the want of breath that it was very difficult for me to speak, and in the night time frequently throwing the clothes off and raising in the bed to keep from strangling. I tried three of the most eminent physicians in the County of Northumberland for about a year, without receiving any benefit, in fact I continued getting worse all the time. At last I was advised to try th. Great Shoshoneer Remedy. I bought a bottle and took it and when it was about finished I began to feel a little better I continued to use it until I had taken three bottles, when, to my satisfaction, I found that I was as well as ever I had been previous to my illness and have been so ever since.

WONDERFUL CURE OF LUNG DISEASE.

BROOKLYN, April 5th, 1870.

J C Chamberlain, Esq. This is to certify that my wife was very low with Lung Disease. The Doctor had given her up. He said her lungs were tubercled, and medicine could not help her. As a last resort I purchased a bottle of the Great Shoshoneer Remedy. At the expiration of two days her symptoms were decidedly better. She continued to improve so rapidly that by the time she had taken one bottle she was able to sit up. By the continuance of the remedy she was perfectly restored to health.

You may publish the facts for the benefit of those similarly afflicted.

T. C. BROWN,

Episcopal Methodist Minister.

Proclaim the Glad Tidings

That the GREAT SHOSHONEES REMEDY AND PILLS, of the eminent Indian Medicine Man, Doctor LEWIS JOSEPHUS, of the Great Tribe of Shoshonees, British Columbia, is working the most marvellous and astonishing Cures the World has ever heard of. Never in the annals of Canadian Medical History has such success attended the introduction of any medicine heretofore.

WHY?

Simply because the numerous valuable active medicinal vegetable ingredients, (some of which we will mention, such as the Extracts of Wild Cherry Bark, Podophyllum, Juniper, Quassia, Smartweed, Dandelion, Hyoscyamus, Compound Extract or Colocynth, Jalap, Soco, Urine Aloes, Capsicum, &c., &c.) which enter into the composition of the combined medicine, are such and so harmoniously classified and compounded, that it is made the most searching curative in the known world and cannot help but act on the system in a very satisfactory and desirable manner. No matter what your ailment may be, or of how long standing, it will find the spot and astonish you by the rapid manner in which you are restored to perfect health and full vigor.

This Medicine is pleasant and safe to take, and is warranted, and may positively be relied upon to make a permanent cure of all diseases of the Throat, Lungs, Liver, Kidneys Digestive Organs, &c., &c., as well as Scrofula the various Skin Diseases, Humors, and all diseases arising from Impurity of the Blood, excepting the Third Stage of Consumption. Further information, with full directions for using the Great Shoshonees Remedy & Pills, and containing Testimonials and Certificates of Cures, can be obtained by securing the Treatise, the Hand Book, or the Almanac and Circulars from any respectable Druggist in the Dominion—free.

HOT AIR FURNACES.

We are prepared to fit up the above in Churches, Dwellings, &c., in the latest improved modern style. Orders from the city or any part of Canada solicited.

Read the following:

Madoc, Oct. 29th, 1870.

H. MEADOWS & Co, OTTAWA.

DEAR SIRS,—It gives me much pleasure to be able to inform you that the Hot Air Furnace which you lately put up in the Church of St. John the Baptiste, in this village, has given great satisfaction to myself and the members of my congregation. We had it going lately on one very windy day, but we had no trouble with it whatever, in the way of smoke, or any other inconveniences, which often take place with heating apparatus, when the wind is high.

We find that the church is heated in a very short time, and that it does not require as much wood to keep it going as it did the stove.

The heat diffuses itself rapidly over the whole building, and no one part is colder or better than an other, but there is a nice glow of heat all over. Remembering the trouble that we used to have with leaking pipes, smoking chimneys, &c., we look upon the furnace as a decided luxury. I certainly think no church ought to be without one, when it can be procured so easily and so cheaply as ours was from you.

I must also express the great pleasure I had in noticing the kindness and attention which Mr. Meadows (and also his workmen) shewed in everything connected with the work.

Hoping that this virtue will in every case bring its own reward,

I remain,

Most sincerely yours,

CHAS. H. MOCKRIDGE,

cumbent of St. Johns Church,

Madoc, Ont.
