Cure of Bronchitis. J. C. Chamberlain, Esq.—This is to certify that about three years ago I became afflicted with Bronchitis, which lasted about eighteen months. I was so afflicted for the space of months that it was very difficult for me to speak, and in the night time I frequently threw up the contents of my stomach, and I was kept from sleeping. I tried three of the most eminent physicians of the County of Northumberland for about a year, without receiving any benefit. In fact I continued getting worse all the time. At last I was advised to try the Great Shoonover Remedy. I bought a bottle of it, and when I saw that it had finished I began to feel a little better. I continued to use it until I had taken three bottles, when, to my satisfaction, I found that it was as well as ever I had been previous to my illness and have been so ever since.

WONDERFUL CURE OF LUNG DISEASE. J. C. Chamberlain, Esq. This is to certify that my wife was very low with Lung Disease. The Doctor had given up. He said her lungs were tubercled, and medicine could not help her. As a last resort I purchased a bottle of the Great Shoonover Remedy. At the expiration of two days her symptoms were decidedly better. She continued to improve so rapidly that by the time she had taken one bottle she was able to get up. By the continuing use of the remedy she was perfectly restored to health.
