LIGHTHOUSE SERVICE.

DEPARTMENT OF MARINE & FISHERIES,
Ottawa, 8th January, 1872

Sealed Tenders will be received at this Department, up to noon of Friday, the 9th day of February next, for the supply, in bond, of the undermentioned quantities of the best quality of standard white refined Petroleum Oil.

The Oil is required to be non-explosive at a vapor test of 110° Fahrenheit, must burn brilliantly, without smoking, until entirely consumed, and not crust the wick, and must be free from all deleterious substances. It is also required to have a specific gravity of 41° Beaume, at a temperature of 68° Fahrenheit. A sample of a quart to accompany each Tender.

The Oil is to be delivered in good order, in iron bound casks, containing from 35 to 42 gallons each. Casks to have staves and heads of white oak, and to be properly prepared inside with liquid glue, and to be painted outside so as to prevent the oil from permeating the wood, and evaporating from the surface.

The casks to be furnished by the contractor, and their cost included in the price of the oil. Inspector's fees of Inland Revenue Department and Gauger's fees must be paid by the contractor.

The cartage of the oil from the Railway Station, Oil Depot or Vessel, to the Wharf or place where the Oil is required to be deposited, must be paid by the contractor.

The Oil to be subject before acceptance to an inspection, test and approval of a person appointed by this Department, and to be delivered at the risk and expense of the contractor, in the locality designated by this Department or its Agent, at the following times and places:

From 20,000 to 25,000 gallons at Halifax, N. S., one half on 25th May, 1872, and balance 10th July.
do 6,000 to 8,000 gallons at St. John, N. B., 10th June, 1872.
do 18,000 to 20,000 gallons at Quebec, 5th July.
do 10,000 to 12,000 gallons at Montreal, 1st July.
do 3,000 to 4,000 gallons at Hamilton, 8th July.
do 4,000 to 5,000 gallons at Sarnia, 12th July.

Tenders will be received for the whole quantity, or for any of the lots above specified, for one year, or for a term not exceeding three years, at the option of the Department. Parties tendering who may not wish to contract for more than one year's supply, will please state so in their Tenders.

STEAM VESSEL.

Tenders will also be received, as above stated, for the charter of a suitable Steam Vessel, for the delivery of oil and supplies to the Light Houses above Montreal, the charter to commence at noon on 2nd July next, at such part of the Lachine Canal, Montreal, as may be designated by this Department. The name, size, age, horse power and description of the vessel to be specified in the tender. A bulk sum should be named for the performance of the service, or the rate at which the vessel is offered per month at the option of the department.

P. MITCHELL,
Minister of Marine and Fisheries.

BY-LAW No. 313

To make some provisions against the spread of Small Pox and other Contageous or infectious diseases, and to prevent the interment of the dead within the City of Ottawa, after the Thirty-first day of December, A.D. 1872.

WHEREAS it is necessary to make some provisions against the spreading of Small Pox and other contagious or infectious diseases within the City of Ottawa, and also to prevent the interment of dead bodies within the limits of the said City after the Thirty-first day of December next.

Therefore the Council of the Corporation of the City of Ottawa do hereby enact and ordain as follows:

1. That the occupant of any dwelling house within the City wherein any case of Small Pox or other contagious or infectious disease now exist or shall and may hereafter exist shall immediately upon its being known to him or her of the existence of such disease, put, place and keep up on or over the front entrance door of the said house a printed notice, placed thereon in a conspicuous manner, during the continuance of the said disease therein, and for the space of ten days thereafter, such notice to be supplied by this Corporation.

2. That the body of any person who shall die within this City from Small Pox or other contagious or infectious disease shall be interred within two days at farthest from the time of his or her death.

3. That it shall not be lawful for any person or persons, bodies politic or corporate, to permit or suffer or be party to the permitting or suffering any dead body in any house, building or other place or places within this City uninterred for any longer period than five days without the written permission of the Board of Health.

4. That it shall not be lawful for any person or persons afflicted with the disease of Small Pox or other infectuous or contagious disease to go abroad in any of the public highways, streets or places of public resort in the City until such person or persons shall have recovered thereof, or unless he, she or they shall produce when required by any Health Officer a certificate from a regular medical practitioner within the City that he, she or they have recovered, and that there is no danger to be apprehended of the spread of the disease by such person or persons going about.

5. That from and after the thirty-first day of December next it shall not be lawful for any person or persons, bodies politic or corporate to bury or inter any dead body within the limits of the City of Ottawa.

6. Any person or persons offending against any of the provisions of this By-law shall, on conviction thereof before the Police Court for the City forfeit and pay such fine not exceeding fifty dollars or less than one dollar as to the Court shall seem meet together with the costs of conviction, and in case of non-payment of the fine inflicted for any such breach, and there being no distress found out of which the same can be levied such offender shall be liable to be imprisoned in the Common Gaol of the County of Carleton for such period not exceeding one calendar month, and with or without hard labor as the Court in its discretion shall think proper.

Given under the Corporate Seal of the City of Ottawa this fifteenth day of January, A.D. 1872.

In calling attention to the above improvement take pleasure in announcing that they have been appointed agents for the

DUNHAM PIANOS

So long and favorably known in Canada, and in doing so would respectfully request the inspection of a stock of those magnificent instruments now in

OUR SHOW ROOM.

The merits of the Dunham Pianos are:

1st. Its durability has become a proverb.

2nd. In workmanship it cannot be surpassed, if equalled.

3rd. In Solidity, Power, Purity and Equality of Tone it has no compeer.

4th. It can be sold after years of use for nearly, if not quite its original cost.

5th. It is warranted in the most satisfactory manner.

Pamphlets containing a description of the above improvement can be had at our establishment.

Messrs. Orme & Son are also agents for the following Pianos, viz:

ELECTRICITY IS LIFE

PULVERMACHER'S PATENT GALVANIC CHAIN-BANDS, BELTS AND POCKET BATTERIES

These highly improved inventions render Electricity perfectly self-applicable, and extremely efficacious in a mild continuous form on shock or unpleasant sensation being experienced, when it becomes a true fountain of health and vigour, speedily soothing agonising pains, reanimating torpid limbs, reviving the sluggish functions of life, and imparting renewed energy and vitality to constitutions enfeebled by whatever cause, Medicines and their deleterious consequences are thus entirely dispensed with. The daily increasing number of cures effected by PULVERMACHER'S MEDICO-GALVANIC SYSTEM is so extensive and varied, that it forcibly points to this invention as the embryo of a universal remedy.

N. B.—The following testimony from the elite of the English medical faculty has been received

"We, the undersigned, have much pleasure in testifying that Mr. J. L. PULVERMACHER'S recent improvements in his Voltaic "Batteries and Galvanic Appliances for "Medical Purposes are of great importance to "Scientific Medicine, and that he is entitled "to the consideration and support of every "one disposed to further the advancement of "real and useful progress.

"Dated the 9th day of March, 1866.

SIR CHARLES LOCOCK, Bart., M. D., F. R. C. P.

SIR HENRY HOLLAND, Bart., M. D., F. R. S.

SIR WM. FERGUSSON, Bart., F. R. S.

EDWD. H. SIEVEKING, M.D., M.R.C.S.

ARNALD MARTIN, F.R.C.S."

PULVERMACHER'S SYSTEM is also approved of by an official report of the Academie de Medicine, Paris, Royal College of Physicians, London, and the Imperial Faculty of Vienna, and its curative virtues are confirmed by thousands of private testimonials of cures effected. (See pamphlet gratis).

These facts appeal to the good sense of every sufferer to avail himself of this scientific and curative progress, to which the inventor has devoted a life-time of study and labour, as an ardent disciple of that great benefactor of mankind, the late illustrious electrician MICHAEL FARADY.

PULVERMACHER'S MEDICO-GALVANIC CHAINS are exceedingly effective without the aid of medicine, restriction of diet, or the least derangement of the patient's habits and daily occupations, in the following maladies

Rheumatism	Female Complaints
Gout	Constipation
Sciatica	Cramp
Lumbago	Sluggish Circulation
Neuralgia	Urinary Disorders
Head and Toothache	Paralysis
Liver Complaints	Epilepsy
Tic Doloreux	Nervous Debility
