The Band has made rapid strides towards proficiency, and now it is certainly a redit to the city. SELTING CARNIVAL .- The Skating Carni viat the Capital Ring, Canal Basin, last night, was a rather novel affair in Ottawa.

The number of skaters, ladies and gentlemen, was large, and the costume of some of the characters was extremely ludicrous. Their was a fair audience outside the ropes. The Union Band played during the night and by the way, we think, that port, shewing a balan e on hand after a skating to must must be very pleasant exercise. A second carnival will take place shortly.
