THE IRON CAGE.

PRICE-3 CENTS

(Continued.) A damp cold night at the end of Ootober. An iron cage hung out upon a crane-like Merchants and Shippers are respectfully arm projecting from the top of the great informed that the GENERAL OFFICES belfry tower of Venice, and in it were the of the Company are REMOVED to the two malefactors who had incurred the front of the house on Wellington Street, Venetian senate. The cage and its occufacing the Parliament Buildings. Charges pants had been hung out a little before on Freight may now be paid at these sunset, and while the light lasted the ffices, or at the Chaudiere, or Sussex Street | people in the piazza below had stood about the base of the pillar gazing up at the un

and its occupants, looking not much bigger than a bird-cage with a couple of linnets inside. Still the people knew that human creatures were up there, and they gazed discovered, and adds immensely to its St. Lawrence & Utlawa Kai way, so long as the light lasted, and not till it had quite faded did the last of them go away. The cage would be there the next The undersigned begs to inform the day, however, 'that was one comfort,' and public that his office has this day been after that who could tell how long. There REMOVED to the rear of the GENERAL | would be a couple of corpses in it one OFFICES of the Company, on Wellington day instead of these living creatures. The

> Hand in hand, the brother and sister sat Freight and Car age will now be received crouching on the floor of the cage, quiet, at the Company's Office, on Wellington resigned, and waiting for the end. They spoke but seliom, a word or two now and then, an attempt to encourage other; then there would come a long pause, while they took half unconscious note of the scene around, above, below. Mechanically their eyes dwelt on the near details of the huge column to which their prison was suspended, the ornamentation which looked so smooth and elaborate from below, but here close by seemed quite rough and unfinished. The stars burnt above the twinking lights came out in the city below, the dark lagoon stretched out as far as they could see, the tower and beliries of the town showed dimly above the other build-Composed of the following first class power- ings, but none came near in height to the great Campa lile from which they hung,

> the deatening sound. They were utterly wearied and exhausted. It was cold, and the damp rose from the canal and the lagoon, and seemed to chill them to the bone. Poor little Brigida shivered involuntarily from time to time. sail EVERY WEDNESDAY during the sea- deliverance—seemed to depress her vital power, and produced a degree of chill which the actual condition of the temperature did not account for.

> conspirator,' he added, smiling bitterly, what a dangerous subject. Uh!' he cried, his tone changing suddenly, 'that something could be done to deliver you from paused a moment, and her thoughts went back to happier times, 'Luca,' she went on, 'how happy we used to be before you Carter and Darke, 21 Billiter Street, ondon; were mixed up with these dreadful plots Ross & Co., Quebec; David Soaw, Montreal; and conspiracies, when you used to work all day at your beautiful missals, and I sat

How terrible it looks,' said the girl razing down into the darkness below. Luca,' she cried as if a sudden thought had struck her, 'you will let me down. but who will let you down?" 'I shall descend the rope hand over hand, as I have done scores of times for pastime at the gymnasium. It is nothing

'I am as slippery as an eel,' he answered with a forced laugh, and shall get through as easily as possible. 'Come, dear,' he added, burriedly, 'there is not a moment to lose. The rope is safely round you, it Will be received by the Corporation of the cannot slip. Now, dear, courage—a little city of Ottawa, until the MONDAY, the nineteenth day of February, 1872, at the hour safe.'

> subjecting his patient to inevitable pain, he forced her through the opening between the bars, which at the particular part might have been perhaps from seven to seven 'Oh Luca, Luca,' cried the girl, 'take me back, you will never, never be able to follow me. You are so much bigger. Take me back, and let me stay with you to the end.'

leaned over and kissed her heat, and then . with rapid but cautious action paid out the rope through the bars. To be Continued.

THE RESERVE

'My poor Brida,' said Luca, tenderly,

by you making the patterns which you had designed on my embroidery; and Lippo, who used to be with us so often. Poor Lippo! I wonder what he is doing, and if

cage to swing violently to and fro by the sudden movement. 'What was that?' he cried. 'Something rushed by me in the air; was it a bird? It 'Again,' he cried, after a short interval

ly, and everything was indistinct, but Brigida thought she had made out something like the figure of a man in the great square, near the base of the column. 'What can it mean?' said Brigids again. 'It means,' replied her brother, 'that we are hung up here as a mark to be shot

'They aim well by this dim light,' he said, 'Strange,' he added, after a pause, the arrow hit me full, and yet it has not pierced my skin, nor, I think, made any wound. But what is this?' he had a moment afterwards. A line had fallen across his arm, and as he drew one end of it to him found that it was attached to the ar-ow

in her love instinct, Brigida saw in an instant what had happened. 'It is from Lippo,' she cried 'you know what a good

tempt to escape, and have not considered it necessary to place the bars very near together. A little squeezing, dear, and we shall get that small body of yours through between these two bars, which by some accident have got more forced apart than Brigida shuddered involuntarily, but

· ()h, Luca, are you sure? And the bars. If I can get through them, which seems hardly possible, are you sure you can, He gave her, in his merciful consideration, no time to think, and very firmly, but with such care as a surgeon uses when
