With every moment that passed this terrible apprehension gained increase of strength. As to what Luca himself was about, neither she nor Lippo could do more than form the vaguest conjectures. At that height, and in the darkness, they could see nothing but the general outline of the cage against the sky. They could make out, too, that the rope was violently agitate i and shaken, evidently owing to the movement imparted to the cage by the efforts of its oc upant to force himself through the bars. But time passed, and Composed of the following first class power there was said no indication of that descending figure for which they were look

> conviction that her worst fears were rea-'Oh,' she crie i 'why did I leave him? It was selfish, it was cruel. I knew he could not get through Those large, strong shoulders of li 'n l here, so strangely are we constituted, came out a touch of sisterly pride - would never pass through that small opening. Lippo, she cried almost angrily, 'e in you do nothing? Why did you shoot that array? Why did you brother, he only cared about me. Lippo, she cried again petul catly, there must comes it will be too late.

Canada, and in the United States to Detroit, to the silken cord which hung down still Milwaukee, Chicago and other points in the from the cage by the side of the rope. As he touched it he seemed to conceive a new 'There is hope yet,' he said. 'Only stay here, keep within the shadow of the wall, and wait, with what patience you can, till

He did not stop for her answer, but dashed off across the pinzza at his utmost What a time was that which tollowe !! Brigida was alone, alone at the foot of the column, at the top of which her well loved brother was still encaged. She coul i not communicate with him. She had no one at all to speak to or take counsel with. It was one of those dreadful cases in which the severest part of the trial is the neces-Ordinary, used in washing Linen, Blan- sity of total inaction. It was almost unbearable. She longed to speak. She longed to call aloud to her brother; to entreat him not to despair. She felt that he had abandoned all thoughts of escape. The Or Disinfecting Flaid, for Sick Rooms, rope hung quietly now, showing that no Oh that she could know what this quietness meant! Was he waiting, patient, resigned, for the end? Did he think she had aban.

> believe that. Or had some dreadful thing happened? Had he got fixed between the bars]?—was he strangled, suffocated? The suspense was horrible, but it must be borne. Brigida was possessed of the priceless gift of good sense. She was wise as well as loving. She must be quiet, she Non-poisonous: must keep herself concealed, as she had been told todo. Everything-her brother's fate especially-depended on her not being found. She must keep within the shadow of that piece of masonry behind which Lippo had hidden her, and wait. I Unce she stole out to the foot of the Campanile. The rope by which she had descended hung out away from the pillar, and if any one came by the place would attract attention. Ble got hold of it, and twisted and entwined it among some of the projecting decorations about the base
