COURAGE.

desperate condition in Ottawa." We believe it was Bob Acres who was n the habit of whistling to keep up his courage. A feeling akin to his evidently inspires the Grit organ. Mr. Brown knows than they ever were. He knows that all the wise and prudent administration affairs since Confederation, the people of Canada have learned to place more confidence than ever in John Macdonald and his colleagues. Mr Brown is quite aware of ell this, and yet he seeks to deceive himself and the Grits by talking about the desperate condition of affairs in Ottawa. We have not the slightest objection to his doing so if he likes. If he can manage to infuse a strange medley of individuals which constitutes the Opposition by ridiculous state ments of this nature, by all means let Mr. ject says Brown indulge his propensity for misrepmay be gratifying to him and his followers, spirit;" also what the sewing machine up just as he was sinking.
