SATURDAY, MARCH 9, 1872,

For interesting reading matter see first

Mr. Donald A. Smith, M.P., arrived last

for Kingston, entertained that gentleman at supper a night or two since. We have no doubt they all enjoyed themselves hugely. But we do not understand what the Whig means when it says: If anything can still the howls of Mr.

Robinson's enemies the supper will un- people. The Halifax Colonist is a journal loubtedly have that effect.

"Mr. Robinson's enemies" were not what effect could it possibly have upon Crown, while the Chronicle has been their howlings? The "silence that springs preaching Anti-Union and annexation yesterday, but the case to day was not from great contentment" may have fallen sentiments. This is what the Colonist says upon those who attended the banquet in in reference to the present condition of question, but we imagine that the majority sflairs in Nova Scotis, and the feeling night on Papal Infallibility, in the Synod of Kingstonians will be as much inclined which prevails there: to howl as ever, that is, if, as we suppose, "howling" means the denouncing of Mr.

The Montreal News says :-The new census just taken by the Cor o be upwards of 120,000, though the figures are not yet published. This is an ncrease of over 8,000, or nearly 124 per sent. more thon that given by the Govern-
