CAUTION!

TO THE PUBLIC OF THE BRITISH PROVINCES OF NORTH AMERICA.

I beg most respectfully to acquaint the public of the British North American Provinces that in May last I caused the business at 80 Maiden Lane New York, for the sale of Holloway's Pills and Ointment, which were by me so long prepared by William Brown, to be closed.

These Medicines were, I regret to say, from what has lately come to my knowledge, made up of very inferior and worthless ingredients, and rendered them almost unpalatable.

Those who do not wish to be deceived by buying spurious medicines, which are now likely to emanate from the States or elsewhere, but to possess the true and genuine Holloway's Pills and Ointment will do well to see that each pot and box bears the British Government stamp on which is engraved the signature of the proprietor, and that the address on the label is 533, Oxford Street, London, where only they are manufactured, and in no other part of the world.

The British Government stamp on which is engraved the signature of the proprietor, and that the address on the label is 533, Oxford Street, London, where only they are manufactured, and in no other part of the world.

Representative of mine will visit through the various parts of the British North American Provinces, and in order to sell my pills and ointment, and as there has been some who have been deceived by buying spurious medicines, which are now likely to emanate from the States or elsewhere, but to possess the true and genuine Holloway's Pills and Ointment will do well to see that each pot and box bears the British Government stamp on which is engraved the signature of the proprietor, and that the address on the label is 533, Oxford Street, London, where only they are manufactured, and in no other part of the world.
