Sold time past I have been preparing a work by all medicine dealers. an account of the origin of 'Oliver Twist, COCO GLYCERINE removes and I now not only regret the sudden and unexpected decease of Mr. Charles Dick ens, but regret also that my propose work was not published during his life Is health worth having? If it is protect it-it is a jewel as easily lost as time. I should not now have brought virtue, and in many cases as difficult to this matter forward, but as Dr. Mackensie recover. In this climate, and more par- states that he got the information from ticularly at this season of the year, people me, and as Mr. Forster declares his state-are very apt to take cold and suffer from ment to be a falsehood, to which, in fact, sore throat, coughs, spitting of blood and he could apply a word of three letters. which is the quickest and most effectual

pulmonary complaints generally, which if feel called on not only to defend the doc-not checked immediately lead to serious tor, but myself from such an imputation. consequences. The question arises- Dr. Mackenzie has confessed some circum stances with respect to Mr. Dickens look remedy? Bryan's Pulmonic Wafers have ing over some drawings and sketches in been before the public for twenty years, my studio, but there is no doubt whatever and have always given perfect satisfaction, and invariably effect permanent cures that I was the originator of Oliver Twist when taken in season. Sold by all medi, as I have told very many others, who have cine dealers and country stores at 25 cts. spoken to me on this subject, and which facts I now beg leave to report in the columns of the Times, for the information of Mr. Forster and the public generally HIDE BOUND HORSES .- A horse is said to When Bentley's Miscellany was first started under the pressure of the hand, but sticks | it was arranged that Mr. Charles Dickens as if it was glued, which condition is always dependent on a deranged state of the stomach and degestive organs-by correcting which, and giving to them a healthy tone and condition, the disease or complaint will disappear. Experience

what the subject should be for the first serial, I suggested to Mr. Dickens that he should take the life of a London boy and has proved that the means best adapted to this end is "Darley's Condition Powders him that I would furnish him with the and Arabian Heave Remedy." It has been subject and supply him with all the characters which my large experience of London life would enable me to do. My idea success, generally effecting a cure in a few days. It is the best condition medicine was to raise a boy from a most h known, and may be given with perfect position up to a high and respectable safety at all times, and does not require that the horse should be kept from work. in fact, to illustrate one of those cases origin by natural ability, industry, he and honorable conduct raise them Northrop & Lyman, Newcastle, Ont., Proto first-class positions in society. And rietors for Canada. Sold by all Medicine I wished particularly to bring the hab and the manners of London life before the public (and this for a most im surpose, which I shall explain some out COCO-GLYCERINE, 25 cents these days), I suggested that the bo should fall among thieves, but that honesty and naturally good disposit should enable him to pass through this or-deal without contamination; and after I had fully described the grown up thieves (the 'Bill Sikes') and their female com-Mas. Winslow's Scotting Syrup is the prepanions, and also the young thieves (the scription of one of the best Female Physicians 'Artful Dodgers') and the receivers of sto-

my suggestion, and the work was com-

menced, but we differed as to

bowels, and gives rest, health and comfort to mother and child. We believe it the best rather a queer kind of a chap, and, alitles, I complied with his request, that it would not be right to dictate too much to the writer of the story, and then ment of Canada, by the Common Councilon the outside wrapper. All others are bas
God be ordeined.

Having the fac simile of "Curtis & Perkins James Pettigrew (surgeon to the dukes of Kent and Sussex), came forward on the part of the poor children, and, by his interference, was mainly the cause of saving the lives of many of these poor little crea-tures. I called the attention of Mr. Dickens to this inquiry, and said that if he took up the matter, his doing so might have many a poor child from injury and death make Oliver a nice, pretty little boy, if we so represented him, the public, a especially the ladies, would be sure Britain and Ireland, and a Baronet, one of Our Most Honourable Privy confidence in their efficacy; they have been take a greater interest in him, and the one of Our Most Honourable Privy Council, Knight Grand Cross of Our Most Honourable Order of the Bath, Knight Grand Cross of Our Most Knight Grand Cross of Our Most Distinguished Order of Saint Michael and Saint George, Governor General of Canada, and Governor and Commander-in-Chief of the Island of Prince by a test of many years, each year finds them | tions; and by reference to the records in new localities in various parts of the world, St. James' parish, and to the date of the and the Troches are universally pronounced publication of the Miscellany, they will see that both the dates tally, and the Obtain only "Brown's Bronchial Tsochra," previously to this directed Mr. Dicken's and do not take any of the Worthless Imitations attention to "Field Lane," Holbern Hill "Thoches," so called, sold by the ounce, are a poor finitation and nothing like BROWN'S of stolen goods, and it was suggested the BRONCHIAL TROCHES which are sold only of stolen goods, and it was suggested that one of these receivers, a Jew, should be introduced into the story; and upon one occasion Mr. Dickens and Mr. Harrison en outside wrapper of box, and private Gov,s Ainsworth called upon me at my house in This care in putting up the Troches is im Myddleton Terrace, Pentonville, and in portant as a security to the purchaser in ord | course of conversition I then and there to be sure of obtaining the genuine Brow n described and performed the character of Bronchial Troches.

whom I had long had my eye upon; and A N1 ONE WHO SUFFERS from Dys-A pepsia, und rgoes slow starvation, for it matters not now much food is taken, nor how good it may be, if it is not completely digested and assimilated, depraved nutrition and impoverished blood, with degeneration of I think you and I could do something tomatters not now much food is taken, nor how the tissue-, will result. It is this condition gether," which notion of Mr. Airsworth's of insufficient nourishment that excites here-ditary influences and developes in the system that class of Chronic Wasting, Discases of the "Oliver Twist" was ever thought of, I had, The second process of the consumptive and Scrofulous type. Tubercle of the Lungs, Enlargement of the Giands of the Rowe & Annable.

Ottawa Dec 12, 1871

Notice

Is hereby given that application will be made to the Parliament of Canada, at its made to the Parliament of Canada, at its next Session, for an Act to amend the Acts incorporating the Canada Central Railway Company, giving power to such Company to construct its line by the most direct route to such points as may be selected for crossing French River.
