A HIGH CALLING.

It was done away with long enough ago. Parliament took it up, said it was dangerous, and put a stop to it. Perhaps it was right to put a stop to it. But I didn't like it then, for it was my bread, and meant five pounds a week to me , and when it was stopped, my profession was ruined.

I don't look like it now, for you see I've teen or twenty years ago, when I was in my fi shings, I could have shown you such ORDER AND SYSTEM In every branch of cul- a figure, and such muscles as you wouldn't tivation-whether in the field, the orchard, the see every day. Me and my brother vineyard or the garden, there must be order and were a regular pair, just the same beight, were a regular pair, just the same height, and this system to insure successful re-ults, and this truth is firmly established by actual experience. Another great truth has also been established by the same means, which is: That as a preventative medicine, or a medicine for the cure of colds, coughs, rheumatism, and summer complaints, the Canadian Pain Destroyer," i used to be in blue letters all over London, the most reliable.
