GRAND TRUNK RAILWAY. From the Brantford Courier. It is pleasing to notice how completely this excellent road is gaining ground in public estimation. Besides its enormous passenger travel, it has secured to itself a permanent thorough freight business, which can never be diverted, and which for this vast amount of steady business in [BERRY, Auctioneer, freight, mu t, ere long, bring to the proprietors large dividends. The road, too, is now in good running order, and is a smooth and well-furnished railway, one which will compare favorably with any road upon this continent, moreover the greatest exertions are still being put forth to render it all that could reasonably be lesired. The steel rails which have been now thorou_hly tested, and which answer -o good a purpose, are to be continued transmission of f eight, and diminish the number of accidents, there will be several of 2 weeks. new stations built, new first-class passenger cars are to be put on the road. Fonnore ir t class Puliman cars are to be put on the road forthwith, which will increase h- number to twenty-four. A large number of new locomotives are provided. An be whiled from time to time to meet the stables, &c.; 15 acres under cultivation. d-ily increase of business. A new ferry Terms reasonable. Address boat is to be provided at Sarnia, which will be enabled to take over the river eighteen freight cars at each trip, and waich will take over the passenger trains without any change of cars or removal of the passengers from their seats. The good laborers. Come and leave your Buffalo bridge is also to be finished this address. ear, despite all the unexpected engineering difficulties that have been encountered. All these things speak well for our great Canadian road, and show that despite all the herculean efforts of the Globe to injure and recommend to the English public in its stead the American through lines, the Grand Trunk has a most pleasing prospect before it, an I that its present condiion is most assuring to its prom ters.
