Sparks street. Allan, McKinnon's & McMoran will show a splendid stock of New Millinery, on Tuesday, 9th inst.

BISHOP'S CHAPEL BAZLAR, -The ladies intend keeping the Bessar open to-morrow from two o'clock, and in the evening will put up the remainder of the articles by auction. We advise all to attend, as there are still many beautiful things to be disposed of, and dout tless there will be great bargains.

New Parsa.-We understand that a weekly Roman Catholic Religious newspaper, to be usued every Sunday, will shortly be published in this city. We doubt very seriously that a religious paper of any denomination will meet with support in Ottawa, for the reason that no individual creed has a sufficient number of followers to do so.

FOR THE HEALTH COMMITTEE .- A butcher. holding a stall on Rideau street, is, we are aformed, in the habit of slaughtering cattle and pigs in the yard of his private residence. Daly street. The smell during the hot weather will not only be offensive, but unhealthy, and we therefore hope the proper authorities will see that he is prevented continuing his slaugh'er yard in that locality, or within the city limits at

noon a buggy had the cover whipped off the horse being on a brisk trot at the buggy were hurled to the ground, frightened and confounded, but we are glad to say not hurt. After the mishaps the vehicle presented a very ludicrous appear-

business in this city as shirt maker. Having served several years as cutter in the principal haberdashery of Montreal. Mr. Angus is a thoroughly practical man, and guarantees a fit every time. He keeps no imported goods in stock, all being cut and made in his own establishment, Merchants' Bank, Sparks street. See advertisement.

Place Recital. - By reference to advertisement in another column it will be seen that the piano recital announced in our last issue for Thursday night, will be given in Gowan's Hall on Friday evening next, the 26th instant. This will positively be the last entertainment by Mr. Boscovitz in Ottowa, this year, and the lovers of music will do well to prost by the opportunity. Mr. Boscovitz's fame as a pianist is w rid wide, and we hope Ottawa will by giving him a bumper house at his farewell Recital, show that its cifizens apprecuate and encourage great artistic talent.

TERRIBLE ACCIDENT. - About half past ten o'clock yesterday morning, an accident | Ludy Lisgar of a fearful character occurred at the Par- Ludy Managers - Ludy Hincks, Mrs. stone was being hoisted by means of Garity, Mrs. Beres ord, Mrs. Armstrong a derrick, when two men, named Mason and Curran, got on the stone to ascend to the top of the building. The load was hoisted to nearly the height of the library when one of the ropes broke, and men and stones were precipated indiscriminately to the ground. Mason, an aged man, had one leg broken in two places and the other received but one fracture; while Curran got one leg broken, both men sustaining other but minor injuries. Consider ing the nature of the accident it is a mat ter of astonishment that it did not result fatally to the unfortunite and foolhardy men, who were so rash as to hazard their lives in such a mode of ascension. Dr. Wood and other medical gentlemen were promptly on the ground and attended to their wounds.

The late Churchwarden, H. A Wickstead, Esq., submitted the Treasurer's Report for the past year, which showed a satisfactory increase both in the Offertory and in all the contributions to the various Church objects, amounting to over \$3000, without the donations to the church ex-

He then laid before the meeting, the plans of the extension and completion of the Church expressed an earnest desire for united action, and requested the sinction and co

operation of the Vestry. After considerable discussion of the sub ject, the following resolution was carried

"That, whereas the Rector has submit-Church, we hereby approve the same, and appoint Messrs, Henry Bute. Alfred Patrick, Wm. Forest, G. H. Perry, Robert Sinclair and W. A.
