The application of the petitioners against the validity of the million doll a Northern Colonization Road by law, lately disposed of by Attorney-General Outmet has again been renewed. The objections the measure relating to the Treaty of pow set forth by the petitioners are five in number, the most important being that the by law is wull as being made subject to tal Clerk or Officer as extra pay during the relating to the Pacific Mailway would be the ratification of the electors generally, fiscal year ending 3.th June, 1871, &c. - brought down in a very few days, and the where it should have been made au ject to the ratification of the municipal electors proprietors of real estate only. Also that the Deputy of said Department or any sentid there should be no delay in sub- the by law being conditional the assessment cannot be absolute. Considerable interest is expressed re-
