WONDROUS CURE OF LUNG DISEASE. J.C. Chamblin, B.A. This is to certify that my wife was very low with the disease. The Doctor had given her up. He said her lungs were tubercled, and she could not live long. As a last resort I purchased a bottle of the Great Spicuous Steamery & Falay, and after the expiration of two days her symptoms were decidedly better. She continued to improve so rapidly that by the time she had taken a large bottle she was able to sit up. By the continuation of the remedy she was perfectly restored to health.
