Good Templars will be held in Gowan's Hall, to-morrow evening, for the purpose of welcoming the delegates from the grand lodges of England, Ireland, Scotland and Wales. Hon. Mr. Tilley will occupy the chair.

AN OPENING FOR ENTERPRISE.—Bolton street Lower Town offers good inducement for the investment of capital. Some individual possessed of a moderate amount of money would make a safe investment by starting a sausage factory in that neighborhood and would at the same time do a great benefit to the general public. Dogs are so numerous in the locality that nothing less than a sausage factory could thin their ranks. We think a municipal subsidy could be counted on.

POLICE COURT—Monday—A case of drunkenness was dismissed.

Michael Gleesy, charged with assaulting Alexis Demier, was sent on a brief visit to Governor Powell.

Another case of assault was dismissed.

Three hotel keepers guilty of allowing their cows to roam vagrantly about the public streets were fined $1 and costs each.

A carter for having no number on his cab was fined $1 and cost.

Another case was remanded.

ARRIVALS AT THE RUSSELL HOUSE.—C Cardinell, England; Lieut A D Fanshowe, R W, Halifax; J M Inglis, Toronto; W Carley, Carleton Place; Miss Feden, do; J C Nelson, Aylmer; Wm. Murray, Richmond, England.

ARRESTED.—A man named J. J. Wyatt was arrested last evening by Detective O'Neil, on the charge that he did on the 11th of March last obtain the sum of $60 on false representations. Wyatt has been a resident of Ottawa for about two year, making a livelihood by buying and selling waste paper, &c. It appears that on the 11th of March last he shipped 9½ bags by the C.C.R.R. The 9½ bags weighed 684 pounds, but on receiving the receipt Wyatt marked 1,246 lbs. on it, on the strength of which he went to the Montreal Bank and drew an unauthorized amount of money. Hence the arrest.

## CITY COUNCIL.

At a special meeting of the City Council held last night there were present:—His Worship the Mayor, Aldermen Heney, Kehoe, McDougall, Lyon, Graham, Mosgrove, Rowe, Mage Bronson, LeSueur, Pratt, Bangs, Lapierre.

Ald. Mosgrove announced that the report of the Water Works Committee was not then ready for presentation.

His Worship the Mayor stated that Mr. Tomlin had offered to purchase the Water Works and bridge debentures at 95½ per cent.

Mr. Tomlin could not definitely close the bargain, however, until he received further instructions from the old country. Some discussion took place as to the advisability of delaying any further in the sale of the debentures. It was finally concluded, however, to wait.

Ald. Mosgrove handed in a communication from the Board of Water Works Commissioners. It stated that the Board was influenced in its adoption of the site recommended by Mr. Keefer by the fact that the Government persistently refused to grant the privilege to obtain the necessary water supply from the slide channel or any other channel.

Several communications from the Department of Public Works on the subject were subjoined and read.

Ald. Mosgrove was asked if he was prepared to present the Water Works report. He explained that he wanted one additional signature, and that he was momentarily expecting the arrival of Ald. Bocque. Three members formed a majority of the Board; two had signed the report, two others had refused to do so, and Ald. Bocque was absent.

Some discussion took place, and failing to secure an additional signature the Council adjourned.

Boyd's SMOKE AND STEAM CONDENSER, will cook everything required in an ordinary sized family as quick and as well as can be done on a range or cooking stove. The boiling, baking, and roasting is done within the one vessel at the same time by means of a lamp which cooks a dinner for a family of eight or ten persons with only Two Cents worth of oil, and while the cooking is going on there is no escape of steam or odor from what is contained in the boiler, so that all the Meats, &c., cooked by it retain all their Juices, thus rendering them more healthy and nutricious.
