mences at 8 o'clock p. m NARROW ESCAPE OF THE PRINCE OF

His Royal Highness the Prince of Wales stepped back from his carriage at Paris, before the horses took fright. I happened to be crossing the Place Vendome at the tween them and the roying people of Betime given in your telegram, and was look- loochistan, and at the mouth of the Ining at the socket of the notable column, when I heard a rattling of hoofs and a violent noise of carriage wheels. On turning around I saw two carriage horses, one a ing round the Place from the direction of their flight with the child. The fugitives the Hotel Bristol, and dragging at their heels a neat landau or brougham. The walls, and thereupon a voice was heard driver's box was empty, and the animals from the sky, crying: "Those who shut were evidently half mad with terror. love out, shall be shut out from love." Jumping aside—for it was death to en- After this the doom of perpetual wanderpredict good harvests, though some of deavour to stop them by standing in their ing, with ceaseless ill-treatment from all them deeply dread a drouth Low way -I looked eagerly into the vehicle as it swept past to see if it was occupied. Great was the relief to note that it was not true. In these dark-skinned Romanies empty. "Thank God" ! I said to a friend we undoubtedly see veritable Asiatics; there is no one inside. In front, just at and that incurable love of wild life and eith all the usual pomp, pageantry and or sour schoolboys. Looking back in nomad existence on the hill and pla ceremony. Remember the grand concert the nick of time, the driver of the India. in the Canadian Institute in the evening. Vehicle contrived to pull out of the way. Close to the payement in the Rue de la are equally tond of bright colors, equally wheel of the cart and tore it away. I was received here on Saturday to that effect.

Wheel of the cart and tore it away. I was delighted to note that, though the cart was nearly upset, the driver held on. He sat for quite a minute after the collision, holding the reips hard on the poor Zingari of England. They will die out soon enough when the like one who was stupefied. Meanwhile the scared horses continued their gallop. One or two other vehicles, so far as I could had without paying. They do very little ball bearers were Meany Gouin R. Skead. pall bearers were Messrs. Gouin, R. Skead, see, were, at all events, grased. Just at McNaughton, J. B. L. Fellowes, I. B. Tay- the end of the street the wheels of the rural landscape in spring and summer a " " lor, J. Aumond, H. V. Noel and Woods landsu came off, and the shattered vehicle feature of wild primevol charm. dragging heavily along, the horses were stopped. When I got up the animals were held by a blouse, both seemingly very little blown, and without a scratch The carriage was smashed.

escaped with his life.

RETIREMENT OF SIR A. C. GALT.

inhabitants of half a continent.

THUDDBLIN OF MUTIONA

The rapidity with which France is pay-Concert.—A Concert will be given in half the body gone. After a few minutes the Village of Richmond shortly, the proceeds of which will go towards defraying the expenses of the new Rectory. Some the expenses of the new Rectory. Some crowd continued to gossip and gesticulate pound the wreck of the vehicle, and when I drove past on the way to the Northern Rallway station at seven o'clock, they were propositions to the German Ambassador Bap Milk .— During this season of the there still. So far as one can judge, no respecting the paying of the three milpressed himself fully upon the subject of these propositions, which will be sub However this may be M. Thiers seems longer to entertain any doubt whatever. The Sherbooke Gasette publishes an address of Sir A. T. Galt, in which he ansince his last interview with M. d'Arnim respecting the success of the negotiations evening he expressed himself to this effect in the presence of many deputies, and especially of a personal character :
"The position of the Dominion is to-day repeated that France ought to be entirely relieved of all occupation by German

THE DEBT OF FRANCE

troops by the 1st of January, 1873." HEALTH OF NAPOLEON III .- The Sprudel, a small journal connected with the Carlsother case was dismissed without costs.

Bush Rangers.—Again the bush on the Richmond road has become inhabited; to censure some of their acts, still I feel bad, published at Vienns, has received a myself bound to render to the present ad ministration the just meed of praise for the embarraneous of the physicians of Napoleon, who find it difficult to fix upon Napoleon, who find it difficult to fix upon the Continent where the axcomplaints are made that a colony of free ment of the Confederation, bringing about a town on the Continent where the exand easy females have struck camp in that locality. IN JUNE.

A shadowy, lazy trout;

Who could trouble himself to rise

And get his tackle out?

Let me do nothing but live for a day,

Between the fish and the hook,

And the eddy's brawling rush,

will love with the thrush,

In varying time and tune,

-in June.

Low I lie on a soft green bed,

Drinking the lazy air,

will rise with the lark to the gates

Freen is the country high o'er my head

The larch's fringe hangs fair,

n scented darkness over my eyes

know I feel the blue of the skies

Wild roses tangle the water above

Below my nook of rest.

Bee-haunted bramble trail:

I need not sever their vail.

They may die on his breast

Quiver, O larch! till in evening's haze

Sing, O thrush ! in my listening ears,

Ripple, O river! by bud and flower,

As long as my eyes may see ;

The night comes all too soon,

Murmur. O bee! in the bramble sprays

As one sang to the monk of old,

l could listen and lie for a hundred years

Teach me the whole of your murmuring

The night, ah me! of this glorious day-
