THURSDAY, JUNE 27, 1872. THE GOVERNOR GENERAL

We received a telegram from Quebec last evening to the following effect:

The Governor General and party have just left by steamboat. He goes direct to He was accompanied to the wharf b. Lieutenant Governor Belleau, and other clicials. Everyone is charmed with the pleasing and unostentatious manner of our new Governor.

As will be seen by an announcement that appears in our local column, Lora Dufferin is expected to arrive this evening have a loyal and friendly welcome.

Mr. Hamilton at once "in the bond" that the exposure of these found to be number seven and the other declared himself to be Dr. Tupper's unfounded and malicious attacks upon number eigh. In an instant the boots of implicable enemy," and has been hos- the President of the Council is to be the dead min were examined, when, tile to him ever since. But what did he passed by in silence? Are the Grit wonder of wonders, one was found to be say in his letter to the Acation Recorder, organs afraid to follow the course predated August 17th, 187h, "I cannot scribed in the old maxim :- Audi alteram said it was their brother, and while the state of my own knowledge that any partem? THE LATE ACCIDENT ON THE GRAND

that day made a business hit in the speculation which that Order in Council provided for." he was the man of all others who would have been likely to know, and no would have been more ready than he assist in giving colour and consistency to any charge against Dr. Tupper, had he had the slightest o portunity of doing so.

It is also asserted by the Halifax Chronicle that the Royal Gazette was withhele from the public by order of Dr Tupper of some member of the Government. To this charge we have a reply in the affidavit of the publisher of the Royal Gazetic as

" I, John M Donald, of the City tiniti's, make outh and any that I was oreman of the Royal Gazet's office during on board the Quen Victoria. Let him | the whole year 1865 -that I had sole charge of the printing and issuing of the Royal Grante newspaper-and I solemaly ceived instructions-either from the their verdict that this was a falsehood, and Dr. Tupper arr ved in Halifax on Tues- withhold the publication of the Gazette beyond its regular day of issue, which was Wednesday in each week; and I further declare that the publication of the Roya! to be returned for North Perth without Gazette was never delayed beyond its re COLONEL GREY AND MR. BROWN gular day of issue. JOHN McDONALD.

" W. MYERS GRAY, Ald. and J P.

Another charge is that the publication in the Gazette of the Order in Council was deferred in order to allow some of Dr. Tupper's friends to prepare to take advantage of its provisions. appears however that the publication of the order in Council was delayed at the member of the Council, who not approv ing of it asked Mr. Thorne, Deputy Clerk of the Executive Council to withhold it in order that it might be recon i tered. Here is Mr. Shannon's letter to Dr. Tupper, written on the 2nd of January

"My DEAR TUPPER -I have much plea sure in reducing to writing the statement mental treaty. Such a course is consider. cent visit to Halifix, when I explained delay in the publication of the Order in Council of May, 1865, in reference to licenses to prospect for coal. "You may probably remember that

infered with a majority of my colleagues as to the policy of making the change provided for in that Order, and (freen, where he opened a new museum. used for the adoption of the policy, I was from it would more than outweigh any supposed benefits. This conviction was se thronged the streets and enthusiastically in your absence the publication of the Order was delayed for a time at my in stance, for the purpose of having a reconsideration of the su jest by the whole afl mentioned the above to Mr. Thorne. the then Clerk of the Council, when I saw

the attack was made upon you, and he confirmed my recollection. "I need only add that you are quite a liberty to make any use you may wish It is stated that negotiations for the this statement of facts in reference to which so much unfounded abuse has been

" I remain, believe me, " Faithfully yours,

" S. L. SHANNON." We have also a copy of the affiday sworn to by Mr. Thorne the Deputy Clerk

" I, James H. Thorne, of the City of ply any longer to talk or try to talk, or Halifax and Province of Nova Scotia, make try to get up any feeling about words be hundred and sixty-five, -that the duty of which was below all doubt, with wild me, -that the order relating to Licenses to and we have never yet taken the search for coal approved in Council on the trouble to sift our impressions. For When this is done we are hundred and sixty-five, was furnished by way, - that I never received any intima | quil old age of Livingstone. We have piction, directly or indirectly, from the Hongovernment of New Brunswick, when onter, holding his Calvinistic creed in on after hand, and allaying custa seous irritation the first Gazette was issued
