Cure of Bronchitis.

The certain, Etc.—This is to certify that about three years ago I became afflicted with Bronchitis, which lasted about eighteen months. I was so afflicted for the want of breath that I could not sleep for me to move, and in the night would have to get out of the clothes off and raise in bed to keep from straining. I tried three of the most eminent physicians in the County of Northumberland for about a year, without success. I then took to the country to live, and had to go to the doctor all the time. At last I was advised to try the Great Shoshone Remedy. I bought a bottle and took it and when it was about finished I began to feel a little better. I continued to use it until the last tablet, and then I was perfectly satisfied. I found that I was as well as ever I had been previous to my illness and have been so ever since.

Sword before me at Smithfield this 6th day

WONDERS OF LUNG DISEASE

BEDFORD, April 5th, 1872.

J. G. Chamberlain, R.M.C. to certify that my wife was very low with Lung Disease. The Doctor had given her up. He said her lungs were tubercular, and medicine could not help her. As a last resort I purchased a bottle of the Great Shoshone Remedy. At the expiration of two days her symptoms decidedly better. She continued to improve rapidly till by the time she had taken one bottle she was able to sit up. By the continuance of the same I perfectly restored her to health.

You may publish this fact for the benefit of those similarly afflicted.
