MAUTION TO THE PUPLIC OF THE BRITISH PRO

VINCES OF NORTH AMERICA. Lbeg most respectfully to acquaint the public of the British North American Pro vinces that in May last I caused the business at 80 Maiden Lane New York, for the sale of holloway's Pills and Ointment, which were up to that time prepared by William Brown, now deceased, to be closed. These Medicines were, I regret to say, from what has lately come to my knowledge, made up of such very ordinary ingredients as to render them almost worthless, and therefore calculated to damage my good name.

Those who do not wish to be deceived by

ouying spurious medicines, which are now likely to emanate from the States or else where, but to possess themselves of the genuine Holloway's Pills and Ointment will de well to see that each pot and box bears the British Government stamp on which is engraved the words "Holloway's Pills and Ointment, and that the address on the label is 533, Oxford street, London, where only they are manufactured, and in no other part of the world. may not be defrauded of their money by purchasing worthless imitations of the genuine Holloway's Pills and Ointment, I would ask, as a great favour, that should t come to the knowledge of any person that spurious medicines are being made or sold in my name, he be pleased to send me all the particulars he can collect respecting the same, tha is to say, the name and add ess of the vendor who is selling the spurious mediclues, and likewise the name and address the House in the United States, or elsewhe e which may have supplied them, so s to enabi- me, for the protection of the public, to nstitute proceedings against such evil-doers, and I engage to remunerate very handsomely iny person who may give me such informa tion, the informant's name never being di-
